Validity of EMD	120 + 45 days i.e. at least up to 19 th October 2019 *

* Please note that the validity shall be counted from the date of opening of tender. If the tender opening date is extended for any reason, the tenderer should ensure that the dates up to which the tender and EMD are required to be valid, are also extended accordingly.

12. Tenderers may note Clause 26 to the General Instruction to Tenderer (GIT), which lists some of the aspects, for which a tender may be declared as unresponsive and ignored, during the initial scrutiny. Those aspects are as reproduced below.

- i. The tender is unsigned.
- ii. The Tenderer is not eligible as per qualification criteria.
- iii. The tender validity is shorter than the required period.
- iv. Required EMD (validity, amount etc.) has not been provided.
- v. Tenderer has not agreed to give the required performance security.
- vi. The goods quoted are sub-standard, not meeting the required specification etc.
- vii. The Tenderer has quoted for goods manufactured by a different firm without the required authority letter from the proposed manufacturer.
- viii. Against a schedule in the List of Requirement (incorporated in the tender enquiry), the Tenderer has not quoted for the entire requirement as specified in that schedule. (Example: In a schedule, it has been stipulated that the Tenderer will supply the equipment, install and commission it and also train purchaser's operators for operating the equipment. The Tenderer has however, quoted only for supply of the equipment).
- ix. The Tenderer has not agreed to some essential condition(s) incorporated in the tender enquiry.

(Example: Some such important essential conditions are terms of payment, liquidated damage clause, warranty clause, dispute resolution mechanism, applicable law and any other important condition having significant bearing on the cost / utility / performance of the required goods, etc.)

Guidelines for filling two-part tender

1. Tender Documents (Part I and Part II) shall be submitted schedule-wise separately, if applicable.
2. **Part I:** First sealed cover should contain the required EMD amount, Technical Offer along with the catalogue and brochure of the item along with the following annexures of this tender i.e. Section I to Section X and Section XII to Section XX. All the above mentioned documents should be signed and stamped and to be submitted as Technical Bid as acceptance of the terms and conditions and required formats to be maintained. Offers with Counter Conditions is liable for Rejections. This first sealed cover should be clearly superscribed with “**Part I - Technical Bid - For Supply of _____ as per List of requirement Section VI**”. Price indication in the Technical Bid will be summarily rejected.
3. **Part II:** Second sealed cover should contain only section XI (Price Schedule) (duly sealed and signed). In case the bidder is applying for more than one schedule, if applicable for this tender, they shall ensure that the price bid of each schedule shall be submitted in separate sealed envelopes. Format provided in the tender document for price schedule should be followed and any other format will be liable for rejection. This second sealed cover should be clearly superscribed with “**Part II - Price Bid - For Supply of _____ as per List of requirement Section VI**”.

The above mentioned sealed covers (Part I & II) should be put in another big cover, sealed and superscribed as “**Offer for Supply of _____ as per List of requirement Section VI**” with due date of opening as 07th May 2019 and should be addressed to “The Managing Director, BRBNMPL, Bengaluru”.

Important Note: Offers submitted not in line with the above guidelines will be liable for rejection.

Section II: General Instructions to Tenderer (GIT)

Part I: General Instructions Applicable to all Types of Tenders

A PREAMBLE

1. Introduction

- 1.1 Definitions and abbreviations, which have been used in these documents, shall have the meanings as indicated in GCC.
- 1.2 For sake of convenience, whole of this Standard Bidding Document (including all sections) is written in reference to Procurement of Goods Tenders. However, this SBD would be utilized for all types of Tenders e.g. EOI, PQB, Rate Contract, Tenders involving Samples, Sale / Disposal of Scrap Material and Development / indigenization etc, Procurement of Services etc. Therefore, the construction of all clauses are to be interpreted in the context of particular type of tender beyond the letter of the clause, read with the additional clauses for the specific type of tenders in Part II GIT/ GCC.
- 1.3 These tender documents have been issued for the requirements mentioned in Section - VI - "List of Requirements", which also indicates, inter-alia, the required delivery schedule and terms & place (i.e. destination) of delivery.
- 1.4 This section (Section II - "General Instruction to Tenderers" - GIT) provides the relevant information as well as instructions to assist the prospective tenderers in preparation and submission of tenders. It also includes the mode and procedure to be adopted for receipt and opening as well as scrutiny and evaluation of tenders and subsequent placement of contract. With this limited objective, GIT is not intended to be complete by itself and the rest of this document - SIT, GCC and SCC in particular may also be thoroughly studied before filling up the Tender Document. There would be certain topics covered in GIT/SIT as well as in GCC/ SCC from different perspectives. In case of any conflict between these, provisions of GCC/ SCC would prevail.
- 1.5 The tenderers shall also read the Special Instructions to Tenderers (SIT) related to this purchase, as contained in Section III of these documents and follow the same accordingly. Whenever there is a conflict between the GIT and the SIT, the provisions contained in the SIT shall prevail over those in the GIT.

2. Language of Tender

The tender submitted by the tenderer and all subsequent correspondence and documents relating to the tender exchanged between the tenderer and BRBNMPL, shall be written in English or Hindi language, unless otherwise specified in the Tender. However, the language of any printed literature furnished by the tenderer in connection with its tender may be written in any other language provided the same is accompanied by Hindi or English translation. For purposes of interpretation of the tender, the English translation shall prevail.

3. Eligible Tenderers

This invitation for tenders is open to all suppliers (unless or otherwise specified in SIT) who fulfill the eligibility criteria specified in these documents. Please refer to Section IX: Qualification/ Eligibility Criteria

4. Eligible Goods and Services

All goods and related services to be supplied under the contract shall have their origin

in India or other countries, subject to any restriction imposed in this regard in Section III (SIT). The term "origin" used in this clause means the place where the goods are mined, grown, produced or manufactured or from where the related services are arranged and supplied.

5. Tendering Expense

The tenderer shall bear all costs and expenditure incurred and/ or to be incurred by it in connection with its tender including preparation, mailing and submission of its tender and for subsequent processing of the same. BRBNMPL will, in no case be responsible or liable for any such cost, expenditure etc. regardless of the conduct or outcome of the tendering process.

 - c) Documents and relevant details to establish in accordance with GIT clause 17 that the goods and the allied services to be supplied by the tenderer conform to the requirement of the tender documents along with list of deviations if any (ref clause 17.3 of GIT).
 - d) Earnest money furnished in accordance with GIT clause 18.1 alternatively, documentary evidence as per GIT clause 18.2 for claiming exemption from payment of earnest money. and
 - e) Questionnaire as per Section XII.
 - f) Manufacturer's Authorization Form (ref Section XIV, if applicable)

NB: The tenderers may also enclose in their tenders, technical literature and other documents as and if considered necessary by them.

- 10.2 A tender, that does not fulfill any of the above requirements and / or gives

evasive information / reply against any such requirement, shall be liable to be ignored and rejected.

10.3 Tender sent by fax/email/ telex/ cable shall be ignored.

11. Tender currencies

11.1 Unless otherwise specified, the tenderer shall quote only in Indian rupees.

11.2 Where the tender condition specifies acceptance of quotations in different currencies, then, for domestic goods, prices shall be quoted in Indian rupees only and for imported goods, prices shall be quoted either in Indian rupees or in the currency stipulated in the SIT, mentioning, inter-alia, the exchange rate adopted for converting foreign currency into Indian Rupees. As regards price(s) for allied services, if any required with the goods, the same shall be quoted in Indian Rupees if such services are to be performed / undertaken in India. Commission for Indian Agent, if any and if payable shall be indicated in the space provided for in the price schedule and quoted in Indian Rupees only,

11.3 Tenders, where prices are quoted in any other way shall be treated as unresponsive and rejected.

12. Tender Prices

12.1 The Tenderer shall indicate on the Price Schedule provided under Section XI all the specified components of prices shown therein including the unit prices and total tender prices of the goods and services it proposes to supply against the requirement. All the columns shown in the price schedule should be filled up as required. If any column does not apply to a tenderer, same should be clarified accordingly by the tenderer.

12.2 If there is more than one schedule in the List of Requirements, the tenderer has the option to submit its quotation for any one or more schedules and, also, to offer special discount for combined schedules. However, while quoting for a schedule, the tenderer shall quote for the complete requirement of goods and services as specified in that particular schedule.

12.3 The quoted prices for goods offered from within India and that for goods offered from abroad are to be indicated separately in the applicable Price Schedules attached under Section XI.

12.4 While filling up the columns of the price schedule, the following aspects should be noted for compliance:

12.5 For goods offered from within India, the prices in the corresponding price schedule shall be entered separately in the following manner:

- a) The price of the goods, quoted ex-factory, ex-showroom, ex-warehouse or off-the-shelf, as applicable, including all taxes and duties like sales tax, VAT, custom duty, excise duty etc. already paid or payable on the components and raw material used in the manufacture or assembly of the goods quoted ex-factory etc or on the previously imported goods of foreign origin quoted ex-showroom etc.
- b) Any sales or other taxes and any duties including excise duty, which will be payable on the goods in India if the contract is awarded.
- c) Charges towards inland transportation, insurance and other local costs incidental to delivery of the goods to their final destination as specified in the List of Requirements and

- d) The price of incidental services, as and if mentioned in List of Requirements.
- 12.6 For goods offered from abroad, the prices in the corresponding price schedule shall be entered separately in the following manner:
- a) The price of goods quoted FAS / FOB port of shipment, CIF port of entry in India or CIF specified place of destination in India as indicated in the List of Requirements,
 - b) Wherever applicable, the amount of custom duty and import duty on the goods to be imported.
 - c) The charges for inland transportation, insurance and other local costs incidental to delivery of the goods from the port of entry in India to their final destination, as specified in the List of Requirements. and
 - d) The charges for incidental services, as and if mentioned in the List of Requirements.

12.7 Additional information and instruction on Duties and Taxes:

If the Tenderer desires to ask for excise duty, sales tax, custom duty etc. to be paid extra, the same must be specifically stated. In the absence of any such stipulation the price will be taken inclusive of such duties and taxes and no claim for the same will be entertained later.

12.8 Excise Duty:

- a) If reimbursement of excise duty is intended as extra over the quoted prices, the supplier must specifically say so also indicating the rate, quantum and nature of the duty applicable. In the absence of any such stipulation it will be presumed that the prices quoted are firm and final and no claim on account of excise duty will be entertained after the opening of tenders.
- b) If a Tenderer chooses to quote a price inclusive of excise duty and also desires to be reimbursed for variation, if any, in the excise duty during the time of supply, the tenderer must clearly mention the same and also indicate the rate and quantum of excise duty included in its price. Failure to indicate all such details in clear terms may result in statutory variations being denied to the tenderer.
- c) Subject to sub clauses 12.8 {a} & (b) above, any change in excise duty upward/ downward as a result of any statutory variation in excise duty taking place within original Delivery Period shall be allowed to the extent of actual quantum of excise duty paid by the supplier. In case of downward revision in excise duty, the actual quantum of reduction of excise duty shall be reimbursed to BRBNMPL by the supplier. All such adjustments shall include all reliefs, exemptions, rebates, concession etc. if any obtained by the supplier.

12.9 Sales Tax/ VAT/ CST/ GST:

If a tenderer asks for sales tax/ VAT/ CST/ GST to be paid extra, the rate and nature of such taxes applicable should be shown separately. Such taxes will be paid as per the rate at which it is liable to be assessed or has actually been assessed provided the transaction of sale is legally liable to such taxes and is payable as per the terms of the contract.

12.10 Wherever Value Added Tax is applicable, the following may be noted:

- i) The tenderer should quote the exact percentage of VAT that they will be charging extra.
- ii) While quoting the rates, tenderer should pass on (by way of reduction in prices) the set off/input tax credit that would become available to them by switching over to the system of VAT from the existing system of sales tax, duly stating the quantum of such credit per unit of the item quoted for.
- iii) The tenderer while quoting for tenders should give the following declaration:
"We agree to pass on such additional set off/input tax credit as may become available in future in respect of all the inputs used in the manufacture of the final product on the date of supply under the VAT scheme by way of reduction in price and advise the purchaser accordingly."
- iv) The supplier while claiming the payment shall furnish the following certificate to the paying authorities: We hereby declare that additional set offs / input tax credit to the tune of ₹..... has accrued and accordingly the same is being passed on to the purchaser and to that effect the payable amount may be adjusted.

12.11 Octroi and Local Taxes:

Unless otherwise stated in the SIT, the goods supplied against contracts placed by BRBNMPL are not exempted from levy of Town Duty, Octroi Duty, Terminal Tax and other Levies of local bodies. In such cases, the supplier should make the payment to avoid delay in supplies and forward the receipt of the same to the purchasing department for reimbursement and, also, for further necessary action.

In cases where exemption is available, suppliers should obtain the exemption certificate from the purchasing department to avoid payment of such levies and taxes.

12.12 Duties/ Taxes on Raw Materials

BRBNMPL is not liable for any claim from the supplier on account of fresh imposition and / or increase (including statutory increase) of excise duty, custom duty, sales tax etc. on raw materials and/or components used directly in the manufacture of the contracted goods taking place during the pendency of the contract, unless such liability is specifically agreed to in terms of the contract.

12.13 Imported Stores not liable to Above-mentioned Taxes and Duties:

Above mentioned Taxes and Duties are not leviable on imported Goods and hence would not be reimbursed.

12.14 Customs Duty:

In respect of imported stores offered from abroad, the tenderer shall specify the rate as well as the total amount of customs duty payable. The tenderer shall also indicate the corresponding Indian Customs Tariff Number applicable for the goods in question.

12.14.1. For transportation of imported goods offered from abroad, relevant instructions as incorporated under GCC Clause 11 shall be followed.

12.14.2. For insurance of goods to be supplied, relevant instructions as provided under GCC Clause 12 shall be followed.

12.14.3. Unless otherwise specifically indicated in this tender document, the terms FOB, FAS, CIF etc. for imported goods offered from abroad, shall be governed by the rules & regulations prescribed in the current edition of INCOTERMS, published by the International Chamber of Commerce, Paris

12.14.4. The need for indication of all such price components by the tenderers, as required in this clause (viz., GIT clause 12) is for the purpose of comparison of the tenders by BRBNMPL and will no way restrict BRBNMPL's right to award the contract on the selected tenderer on any of the terms offered.

13. Indian Agent (Please refer SIT)

If a foreign tenderer has engaged an agent in India in connection with its tender, the foreign tenderer, in addition to indicating Indian agent's commission, if any, in a manner described under GIT sub clause 11.2 above, shall also furnish the following information:

- a) The complete name and address of the Indian Agent and its permanent income tax account number as allotted by the Indian Income Tax authority.
- b) The details of the services to be rendered by the agent for the subject requirement

One manufacturer can authorize only one agent/ dealer. Also one agent cannot represent more than one supplier or quote on their behalf in a particular tender enquiry. Such quote is likely to be rejected. There can be only one bid from

- a) The principal manufacturer directly or one Indian agent on his behalf
- b) The foreign principal or any of its branch/ division
- c) Indian/ Foreign Agent on behalf of only one Principal.

14. Firm Price / Variable Price

14.1 Unless otherwise specified in the SIT, prices quoted by the tenderer shall remain firm and fixed during the currency of the contract and not subject to variation on any account.

14.2 In case the tender documents require offers on variable price basis, the price quoted by the tenderers will be subject to adjustment during original Delivery Period to take care of the changes in the cost of labour and material components in accordance with the price variation formula to be specified in the SIT. If a tenderer submits firm price quotation against the requirement of variable price quotation, that tender will be prima-facie acceptable and considered further, taking price variation asked for by the tenderer as zero.

14.3 However, as regards taxes and duties, if any, chargeable on the goods and payable, the conditions stipulated in GIT clause 12 will apply for both firm price tender and variable price tender.

14.4 Subject to provisions of Clause 11 above, where prices are quoted in foreign currencies, involving imports - Foreign Exchange Rate Variation (ERV) would be borne by the Purchaser within the original Delivery Period. The offer of the Tenderer should indicate import content and the currency used for calculating import content.

- 14.5 Base Exchange rate of each major currency used for calculating FE content of the contract should be indicated. The base date of ERV would be contract date and variation on the base date can be given up to the midpoint manufacture, unless firm has already indicated the time schedule within which material will be imported by the firm.
- 14.6 In case delivery period is refixed/ extended, ERV will not be admissible, if this is due to default of the supplier.
- 14.7 Documents for claiming ERV:
- i. A bill of ERV claim enclosing working sheet
 - ii. Banker's Certificate/debit advice detailing F.E. paid and exchange rate
 - iii. Copies of import order placed on supplier
 - iv. Invoice of supplier for the relevant import order

15. Alternative Tenders

Unless otherwise specified in the Schedule of Requirements, alternative tenders shall not be considered.

16. Documents Establishing Tenderer's Eligibility and Qualifications

- 16.1 Pursuant to GIT clause 10, the tenderer shall furnish, as part of its tender, relevant details and documents establishing its eligibility to quote and its qualifications to perform the contract if its tender is accepted.
- 16.2 The documentary evidence needed to establish the tenderer's qualifications shall fulfill the following requirements:
- a) In case the tenderer offers to supply goods, which are manufactured by some other firm, the tenderer has been duly authorized by the goods manufacturer to quote for and supply the goods to BRBNMPL. The tenderer shall submit the manufacturer's authorization letter to this effect as per the standard form provided under Section XIV in this document.
 - b) The tenderer has the required financial, technical and production capability necessary to perform the contract and, further, it meets the qualification criteria incorporated in the Section IX in these documents.
 - c) In case the tenderer is not doing business in India, it is/ will be duly represented by an agent stationed in India fully equipped and able to carry out the required contractual functions and duties of the supplier including after sale service, maintenance & repair etc. of the goods in question, stocking of spare parts and fast moving components and other obligations, if any, specified in the conditions of contract and/ or technical specifications.
 - d) In case the tenderer is an Indian agent quoting on behalf of a foreign manufacturer, the Indian agent is already enlisted under the Compulsory Enlistment Scheme of Ministry of Finance, Govt. of India, operated through Directorate General of Supplies & Disposals (DGS&D), New Delhi.

17. Documents establishing Good's Conformity to Tender document

- 17.1 The tenderer shall provide in its tender the required as well as the relevant documents like technical data, literature, drawings etc. to establish that the

goods and services offered in the tender fully conform to the goods and services specified by BRBNMPL in the tender documents. For this purpose, the tenderer shall also provide a clause-by-clause commentary on the technical specifications and other technical details incorporated by BRBNMPL in the tender documents to establish technical responsiveness of the goods and services offered in its tender.

- 17.2 In case there is any variation and/ or deviation between the goods & services prescribed by BRBNMPL and that offered by the tenderer, the tenderer shall list out the same in a chart form without ambiguity along with justification, and provide the same along with its tender.
- 17.3 If a tenderer furnishes wrong and/ or misleading data, statement(s) etc. about technical acceptability of the goods and services offered by it, its tender will be liable to be ignored and rejected in addition to other remedies available to BRBNMPL in this regard.

18. Earnest Money Deposit (EMD)

- 18.1 Pursuant to GIT clause 10.1(d) the tenderer shall furnish along with its tender, earnest money for amount as shown in the List of Requirements. The earnest money is required to protect BRBNMPL against the risk of the Tenderers unwarranted conduct as amplified under sub-clause 23.2 below.
- 18.2 The tenderers who are currently registered and, also, will continue to remain registered during the tender validity period with DGS&D or with National Small Industries Corporation, New Delhi are exempted from payment of earnest money. In case the tenderer falls in these categories, it should furnish certified copy of its valid registration details (with DGS&D or NSIC as the case may be).
- 18.3 The earnest money shall be denominated in Indian Rupees.
- 18.4 The earnest money shall be furnished in one of the following forms:
 - a) Account Payee Demand Draft or
 - b) Fixed Deposit Receipt or
 - c) Banker's cheque or
 - d) Bank Guarantee, only in the case of Global Tender

The demand draft, fixed deposit receipt or banker's cheque shall be drawn on any scheduled commercial bank in India, in favour of Account specified in the Clause 3 of NIT. In case of bank guarantee, the same is to be provided from/confirmed by any scheduled commercial bank in India as per the format specified under Section XIII in these documents.

- 18.5 The earnest money shall be valid for a period of forty-five days beyond the validity period of the tender.
- 18.6 Unsuccessful tenderers' earnest monies will be returned to them without any interest, after expiry of the tender validity period, but not later than thirty days after conclusion of the resultant contract. Successful Tenderer's earnest money will be returned without any interest, after receipt of performance security from that tenderer.
- 18.7 Earnest money of a tenderer will be forfeited, if the tenderer withdraws or amends its tender or impairs or derogates from the tender in any respect within the period of validity of its tender. The successful tenderer's earnest money will be forfeited if it fails to furnish the required performance security within the specified period.

19. Tender Validity

- 19.1 If not mentioned otherwise in the SIT, the tenders shall remain valid for acceptance for a period of 90 days (Ninety days) in case of single bid tender system and 120 days in case of two-bid system after the date of tender opening prescribed in the tender document. Any tender valid for a shorter period shall be treated as unresponsive and rejected.
- 19.2 In exceptional cases, the tenderers may be requested by BRBNMPL to extend the validity of their tenders upto a specified period. Such request(s) and responses thereto shall be conveyed by surface mail or by fax /email /telex /cable followed by surface mail. The tenderers, who agree to extend the tender validity, are to extend the same without any change or modification of their original tender and they are also to extend the validity period of the EMD accordingly.
- 19.3 In case the day upto which the tenders are to remain valid falls on/ subsequently declared a holiday or closed day for BRBNMPL, the tender validity shall automatically be extended upto the next working day.
- 19.4 Compliance with the Clauses of this Tender Document: Tenderer must comply with all the clauses of this Tender Document. In case there are any deviations, these should be listed in a chart form without any ambiguity along with justification.

20. Signing and Sealing of Tender

- 20.1 An authenticated copy of the document which authorizes the signatory to commit on behalf of the firm shall accompany the offer. The individual signing the tender or any other documents connected therewith should clearly indicate his full name and designation and also specify whether he is signing,
 - (a) As Sole Proprietor of the concern or as attorney of the Sole Proprietor;
 - (b) As Partner (s) of the firm;
 - (c) as Director, Manager or Secretary in case the of Limited Company duly authorized by a resolution passed by the Board of Directors or in pursuance of the Authority conferred by Memorandum of Association.
- 20.2 The authorized signatory of the tenderer must sign the tender at appropriate places and initial the remaining pages of the tender.
- 20.3 The tenderers shall submit their tenders as per the instructions contained in GIT Clause
- 20.4 Unless otherwise mentioned in the SIT, a tenderer shall submit two copies of its tender marking them as "Original" and "Duplicate".
- 20.5 The original and other copies of the tender shall either be typed or written in indelible ink and the same shall be signed by the tenderer or by a person(s) who has been duly authorized to bind the tenderer to the contract. The letter of authorization shall be by a written power of attorney, which shall also be furnished along with the tender.
- 20.6 All the copies of the tender shall be duly signed at the appropriate places as indicated in the tender documents and all other pages of the tender including printed literature, if any shall be initialed by the same person(s) signing the tender. The tender shall not contain any erasure or overwriting, except as

necessary to correct any error made by the tenderer and, if there is any such correction; the same shall be initialed by the person(s) signing the tender.

- 20.7 The tenderer is to seal the original and each copy of the tender in separate envelopes, duly marking the same as "Original", "Duplicate" and so on and writing the address of BRBNMPL and the tender reference number on the envelopes. The sentence 'NOT TO BE OPENED' before (The tenderer is to put the date & time of tender opening) are to be written on these envelopes. The inner envelopes are then to be put in a bigger outer envelope, which will also be duly sealed, marked etc. as above. If the outer envelope is not sealed and marked properly as above, BRBNMPL will not assume any responsibility for its misplacement, premature opening, late opening etc.
- 20.8 For purchasing capital equipment, high value plant, machinery etc. of complex and technical nature, tender document will seek quotation in two parts (Two Bid System)- first part containing the relevant technical details of the equipment / machinery etc., and in the second part, price quotation along with other allied issues. First part will be known as 'Technical Bid', and the second part 'Financial bid'. Tenderer shall seal separately 'Technical Bid' and 'Financial bid' and covers will be suitably super scribed. Both these sealed covers shall be put in a bigger cover and sealed and evaluation would be done as described in clause 25, 24.4 below. Further details would be given in SIT, if considered necessary.
- 20.9 If permitted in the SIT, the tenderer may submit its tender through e-tendering procedure.

D SUBMISSION OF TENDERS

21. Submission of Tenders

- 21.1 Unless otherwise specified, the tenderers are to deposit the tenders in the tender box kept for this purpose at a place as indicated in para 1 of NIT. In case of bulky tender, which cannot be put into tender box, the same shall be submitted by the tenderer by hand to the designated officers of BRBNMPL, as indicated in clause 1 of NIT. The officer receiving the tender will give the tenderer an official receipt duly signed with date and time.
- 21.2 The tenderers must ensure that they deposit their tenders not later than the closing time and date specified for submission of tenders. In the event of the specified date for submission of tender falls on / is subsequently declared a holiday or closed day for BRBNMPL, the tenders will be received upto the appointed time on the next working day.

22. Late Tender

A tender, which is received after the specified date and time for receipt of tenders will be treated as "late" tender and will be ignored.

23. Alteration and Withdrawal of Tender

- 23.1 The tenderer, after submitting its tender, is permitted to alter / modify its tender so long as such alterations / modifications are received duly signed, sealed and marked like the original tender, within the deadline for submission of tenders.

Alterations / modifications to tenders received after the prescribed deadline will not be considered.

- 23.2 No tender should be withdrawn after the deadline for submission of tender and before expiry of the tender validity period. If a tenderer withdraws the tender during this period, it will result in forfeiture of the earnest money furnished by the tenderer in its tender besides other sanctions by BRBNMPL.

E TENDER OPENING

24. Opening of Tenders

- 24.1 BRBNMPL will open the tenders at the specified date and time and at the specified place as indicated in clause 1 of NIT. In case the specified date of tender opening falls on / is subsequently declared a holiday or closed day for BRBNMPL, the tenders will be opened at the appointed time and place on the next working day.
- 24.2 Authorized representatives of the tenderers, who have submitted tenders on time may attend the tender opening, provided they bring with them letters of authority as per the format in SBD XVII from the corresponding tenderers. The tender opening official(s) will prepare a list of the representatives attending the tender opening. The list will contain the representatives' names & signatures and corresponding tenderers' names and addresses.
- 24.3 During the tender opening, the tender opening official(s) will read the salient features of the tenders like description of the goods offered, price, special discount if any, delivery period, whether earnest money furnished or not and any other special features of the tenders, as deemed fit by the tender opening official(s).
- 24.4 In the case of two bid system mentioned in clause 20.8 above, the technical bids are to be opened in the first instance, at the prescribed time and date. These bids shall be scrutinized and evaluated by the competent committee / authority with reference to parameters prescribed in the tender document. Thereafter, in the second stage, the financial bids of only the technically acceptable offers (as decided in the first stage) shall be opened for further scrutiny and evaluation. Other financial bids would be returned unopened to the respective bidders under Registered AD/ Reliable Courier or any other mode with proof of delivery.

F SCRUTINY AND EVALUATION OF TENDERS

25. Basic Principle

Tenders will be evaluated on the basis of the terms & conditions already incorporated in the tender document, based on which tenders have been received and the terms, conditions etc. mentioned by the tenderers in their tenders. No new condition will be brought in while scrutinizing and evaluating the tenders.

26. Preliminary Scrutiny of Tenders

- 26.1 The tenders will first be scrutinized to determine whether they are complete and meet the essential and important requirements, conditions etc. as prescribed in the tender document. The tenders, that do not meet the basic requirements, are liable to be treated as unresponsive and ignored.

26.2 The following are some of the important aspects, for which a tender may be declared unresponsive and ignored;

- a) Tender is unsigned.
- b) Tenderer is not eligible.
- c) Tender validity is shorter than the required period.
- d) Required EMD (like validity, amount etc.) has not been provided.
- e) Tenderer has quoted for goods manufactured by a different firm without the required authority letter from that manufacturer.
- f) Tenderer has not agreed to give the required performance security.
- g) Goods offered are sub-standard, not meeting the required specification etc.
- h) Tenderer has not agreed to essential condition(s) specially incorporated in the tender enquiry.
- i) Against a schedule in the List of Requirement (incorporated in the tender enquiry), the Tenderer has not quoted for the entire requirement as specified in that schedule. (Example: In a schedule, it has been stipulated that the Tenderer will supply the equipment, install and commission it and also train BRBNMPL 's operators for operating the equipment. The Tenderer has however, quoted only for supply of the equipment).

27. Minor Infirmary / Irregularity / Non-Conformity

If during the preliminary examination, BRBNMPL find any minor infirmity and/ or irregularity and/ or non-conformity in a tender, BRBNMPL may waive the same provided it does not constitute any material deviation and financial impact and, also, does not prejudice or affect the ranking order of the tenderers. Wherever necessary, BRBNMPL will convey its observation on such 'minor' issues to the tenderer by registered/ speed post etc. asking the tenderer to respond by a specified date. If the tenderer does not reply by the specified date or gives evasive reply without clarifying the point at issue in clear terms, that tender will be liable to be ignored.

28. Discrepancy in Prices

- 28.1 If, in the price structure quoted by a tenderer, there is discrepancy between the unit price and the total price (which is obtained by multiplying the unit price by the quantity), the unit price shall prevail and the total price corrected accordingly, unless BRBNMPL feels that the tenderer has made a mistake in placing the decimal point in the unit price, in which case the total price as quoted shall prevail over the unit price and the unit price corrected accordingly.
- 28.2 If there is an error in a total price, which has been worked out through addition and / or subtraction of subtotals, the subtotals shall prevail and the total corrected; and
- 28.3 If there is a discrepancy between the amount expressed in words and figures, the amount in words shall prevail, subject to sub clause 28.1 and 28.2 above.
- 28.4 If, as per the judgment of BRBNMPL, there is any such arithmetical discrepancy in a tender, the same will be suitably conveyed to the tenderer by registered / speed post. If the tenderer does not agree to the observation of BRBNMPL, the tender is liable to be ignored.

29. Discrepancy between original and copies of Tender

In case any discrepancy is observed between the text etc. of the original copy and that

in the other copies of the same tender set, the text etc. of the original copy shall prevail. Here also, BRBNMPL will convey its observation suitably to the tenderer by register Speed post and, if the tenderer does not accept BRBNMPL's observation, that tender will be liable to be ignored.

30. Clarification of Bids

During evaluation and comparison of bids, purchaser may, at its discretion ask the bidder or clarification of its bid. The clarification should be received within 7 days from the bidder from date of receipt of such request. The request for clarification shall be in writing and no change in prices or substance of the bid shall be sought, offered or permitted. No post bid clarification at the initiative of the bidder shall be entertained.

31. Qualification / Eligibility Criteria

Tenders of the tenderers, who do not meet the required qualification/ eligibility criteria prescribed in Section IX, will be treated as unresponsive and will not be considered further.

32. Conversion of tender currencies to Indian Rupees

In case the tender document permits the tenderers to quote their prices in different currencies, all such quoted prices of the responsive tenderers will be converted to a single currency viz., Indian Rupees for the purpose of equitable comparison and evaluation, as per the B.C. selling exchange rates established by the State Bank of India for similar transactions, as on the date of tender opening.

33. Schedule-wise Evaluation

In case the List of Requirements contains more than one schedule, the responsive tenders will be evaluated and compared separately for each schedule. The tender for a schedule will not be considered if the complete requirements prescribed in that schedule are not included in the tender. However, as already mentioned in GIT sub clause 12.2, tenderers have the option to quote for any one or more schedules and offer discounts for combined schedules. Such discounts, wherever applicable, will be taken into account to determine the tender or combination of tenders offering the lowest evaluated cost for BRBNMPL in deciding the successful tenderer for each schedule, subject to that tenderer(s) being responsive.

34. Comparison on CIF Destination Basis

Unless mentioned otherwise in Section-III — Special Instructions to Tenderers and Section-VI — List of Requirements, the comparison of the responsive tenders shall be on CIF destination basis, duly delivered, commissioned, etc. as the case may be.

35. Additional Factors and Parameters for Evaluation and Ranking of Responsive Tenders

35.1 Further to GIT Clause 33 above, BRBNMPL 's evaluation of a tender will include and take into account the following:

- a) In the case of goods manufactured in India or goods of foreign origin already located in India, sales tax & other similar taxes and excise duty & other similar duties, which will be contractually payable (to the tenderer), on the goods if a contract is awarded on the tenderer; and
- b) In the case of goods of foreign origin offered from abroad, customs duty and other similar import duties/ taxes, which will be contractually payable (to the tenderer) on the goods if the contract is awarded on the tenderer.

- 35.2 BRBNMPL's evaluation of tender will also take into account the additional factors, if any, incorporated in SIT in the manner and to the extent indicated therein.
- 35.3 As per policies of the Government from time to time, the purchaser reserves its option to give price preference to Small Scale Industries in comparison to the large scale Industries. This price preference cannot however be taken for granted and every endeavor need to be made by such firms to bring down cost and achieve competitiveness. Please refer SIT
- 35.4 If the tenders have been invited on variable price basis, the tenders will be evaluated, compared and ranked on the basis of the position as prevailing on the day of tender opening and not on the basis of any future date.

36. Tenderer's capability to perform the contract

- 36.1 BRBNMPL, through the above process of tender scrutiny and tender evaluation will determine to its satisfaction whether the tenderer, whose tender has been determined as the lowest evaluated responsive tender is eligible, qualified and capable in all respects to perform the contract satisfactorily. If, there is more than one schedule in the List of Requirements, then, such determination will be made separately for each schedule.
- 36.2 The above mentioned determination will, inter-alia, take into account the tenderer's financial, technical and production capabilities for satisfying all the requirements of BRBNMPL as incorporated in the tender document. Such determination will be based upon scrutiny and examination of all relevant data and details submitted by the tenderer in its tender as well as such other allied information as deemed appropriate by BRBNMPL.

37. Cartel Formation / Pool Rates

Cartel formation or quotation of Pool/ Co-ordinated rates, leading to 'Appreciable Adverse Effect on Competition' (AAEC) as identified in Competition Act, 2002, as amended by Competition (Amendment) Act, 2007, would be considered as a serious misdemeanor and would be dealt accordingly as per Clause 44 below.

38. Negotiations

Normally there would be no price negotiations. But BRBNMPL reserves its right to negotiate with the lowest acceptable bidder (L1), who is technically cleared/ approved for supply of bulk quantity and on whom the contract would have been placed but for the decision to negotiate, under special circumstances in accordance with CVC guidelines. i.e. Normally there should be no negotiation. Selection of contractors by negotiations should be a rare exception rather than the rule and may be resorted to only in the exceptional circumstances under the following circumstances: -

- i. Where the procurement is done on proprietary basis
- ii. Items to be procured are supplied by only a limited sources of supply
- iii. Items where there is suspicion of cartel formation.

39. Contacting BRBNMPL

- 39.1 From the time of submission of tender to the time of awarding the contract, if a tenderer needs to contact BRBNMPL for any reason relating to this tender enquiry and / or its tender, it should do so only in writing.

- 39.2** It will be treated as a serious misdemeanor in case a tenderer attempts to influence BRBNMPL's decision on scrutiny, comparison, evaluation and award of the contracts. In such a case the tender of the tenderer shall be liable for rejection in addition to appropriate administrative actions being taken against that tenderer, as deemed fit by BRBNMPL, in terms of clause 44 of GIT.

G AWARD OF CONTRACT

- 40.** BRBNMPL's Right to Accept any Tender and to Reject any or All Tenders
BRBNMPL reserves the right to accept in part or in full any tender or reject any tender without assigning any reason or to cancel the tendering process and reject all tenders at any time prior to award of contract, without incurring any liability, whatsoever to the affected tenderer or tenderers.

41. Award Criteria

Subject to GIT clause 36 above, the contract will be awarded to the lowest evaluated responsive tenderer decided by BRBNMPL in terms of GIT Clause 34.

42. Variation of Quantities at the Time of Award

No variation of quantities at the time of awarding the contract.

43. Parallel Contracts

BRBNMPL reserves its right to conclude Parallel contracts, with more than one bidder (for the same tender). If this is foreseen at the time of Tendering, a clause would be included in SIT giving further details.

44. Serious Misdemeanors

44.1 Following would be considered serious misdemeanors:

- i. Submission of misleading / false/ fraudulent information/ documents by the bidder in their bid
- ii. Submission of fraudulent / unencashable Financial Instruments stipulated under Tender or Contract Condition.
- iii. Violation of Code of Ethics laid down in Clause 32 of the GCC.
- iv. Cartel formation or quotation of Pool / coordinated rates leading to "Appreciable Adverse Effect on Competition" (AAEC) as identified under the Competition Act, 2002.
- v. Deliberate attempts to pass off inferior goods or short quantities.
- vi. Violation of Fall Clause by Rate Contract holding Firms.
- vii. Attempts to influence BRBNMPL's Decisions on scrutiny, comparison, evaluation and award of Tender.

44.2 Besides, suitable administrative actions, like rejecting the offers or delisting of registered firms, BRBNMPL would ban/ blacklist Tenderers committing such misdemeanor, including declaring them ineligible to be awarded BRBNMPL contracts for indefinite or for a stated period.

45. Notification of Award

45.1 Before expiry of the tender validity period, BRBNMPL will notify the successful tenderer(s) in writing, by registered / speed post or by fax/email / telex/ cable (to be confirmed by registered / speed post) that its tender for goods & services, which have been selected by BRBNMPL, has been accepted, also briefly indicating therein the essential details like description, specification

and quantity of the goods & services and corresponding prices accepted. The successful tenderer must furnish to BRBNMPL the required performance security within twenty-one days from the date of this notification. Relevant details about the performance security have been provided under GCC Clause 6 under Section IV.

45.2 The notification of award shall constitute the conclusion of the contract.

46. Issue of Contract

46.1 Within seven working days of receipt of performance security, BRBNMPL will send the contract form (as per Section XVI) duly completed and signed, in duplicate, to the successful tenderer by registered / speed post.

46.2 Within seven days from the date of issue of the contract, the successful tenderer will return the original copy of the contract, duly signed and dated, to BRBNMPL by registered / speed post.

47. Non-receipt of Performance Security and Contract by BRBNMPL

Failure of the successful tenderer in providing performance security within 21 days of receipt of notification of award and / or returning contract copy duly signed in terms of GIT clauses 45 and 46 above shall make the tenderer liable for forfeiture of its EMD and, also, for further sanctions by BRBNMPL against it.

48. Return of EMD

The earnest money of the successful tenderer and the unsuccessful tenderers will be returned to them without any interest, whatsoever, in terms of GIT Clause 18.6.

49. Publication of Tender Result

The name and address of the successful tenderer(s) receiving the contract(s) will be mentioned in the notice board/ bulletin/ web site of BRBNMPL.

Part II: Additional General Instructions Applicable to Specific Types of Tenders:

50. Rate Contract Tenders

50.1 In addition to GIT in Part I above, following GIT will be applicable to rate contract Tenders:

- i. Earnest Money Deposit (EMD) is not applicable.
- ii. In the Schedule of Requirement, no commitment of quantity is mentioned; only the anticipated requirement is mentioned without any commitment.
- iii. BRBNMPL reserves the right to conclude more than one rate contract for the same item.
- iv. Unless otherwise specified in SIT, the currency of a Rate Contract would normally be for one year.
- v. During the currency of the Rate Contract, BRBNMPL may withdraw the rate contract by serving suitable notice. The prescribed notice period is generally thirty days.
- vi. During the currency of the Rate Contract, BRBNMPL would have the option to renegotiate the price with the rate contract holders.
- vii. During the currency of the Rate Contract, in case of emergency, BRBNMPL may purchase the same item through ad hoc contract with a new supplier.

- viii. Usually, the terms of delivery in rate contracts are FOR dispatching station.
- ix. Supply orders, incorporating definite quantity of goods to be supplied along with all other required conditions following the rate contract terms, will be issued by nominated Direct Demanding Officers (DDO) for obtaining supplies through the rate contract.
- x. BRBNMPL is entitled to place supply orders up to the last day of the validity of the rate contract and, though supplies against such supply orders will be affected beyond the validity period of the rate contract, all such supply will be guided by the terms & conditions of the rate contract.
- xi. The rate contract will be guided by "Fall Clause" as described below.

50.2 Fall Clause

If the rate contract holder reduces its price or sells or even offers to sell the rate contracted goods, following conditions of sale similar to those of the rate contract, at a price lower than the rate contract price, to any person or organization during the currency of the rate contract, the rate contract price will be automatically reduced with effect from that date for all the subsequent supplies under the rate contract and the rate contract amended accordingly. Any violation of the fall clause would be considered a serious misdemeanor under clause 44 of the GIT and action, as appropriate, would be taken as per provision of that clause.

50.3 Performance Security

Value of Performance Security would be stipulated in the SIT. Performance Security shall, however, not be demanded again in the individual supply orders issued subsequently against rate contracts.

50.4 Renewal of Rate Contracts

In case it is not possible to conclude new rate contracts before the expiry of existing ones, due to some special reasons, the existing rate contracts would be extended with same terms, conditions etc for a suitable period, with the consent of the rate contract holders. Rate contracts of the firms, who do not agree to such extension, will be left out, Period of such extension would generally not be more than three months.

51. Prequalification Bidding

51.1 Prequalification Bidding is for short listing of qualified Bidders who fulfill the Prequalification criteria as laid down in SIT or in Section IX of SBD — "Qualification Criteria" for procurement of Goods or Services as listed in Section VI of SBD — "List of Requirements". Short listed Bidders would be informed of their qualification and short listing in accordance with the stipulations laid down in the SIT. Unless otherwise stipulated in the SIT the PQB short listing would be valid only till the next procurement tender. Further conditions will be elaborated in the SIT.

51.2 If stipulated in the SIT, only these short listed qualified bidders would be invited to participate in the Procurement of the requirements. Otherwise SIT may also indicate that instead of floating a separate PQB tender, it may be combined with the Procurement Tender, as a three bid tender. Initially the first Packet containing PQB would be opened and evaluation would be done. Thereafter the rest of tender would be handled as a two bid system for only those bidders who succeed in PQB.

52. Tenders involving Samples

52.1 Normally no sample would be called along with the offer for evaluation.

52.2 Purchaser's Samples: If indicated in the SIT, A Purchaser's sample may be displayed to indicate required characteristics over and above the Specifications for perusal of the bidders. Name and Designation of the Custodian, Place, Dates and Time of inspection of Purchaser's sample will be indicated in the SIT. The supplies in the contract will have to meet the indicated required characteristics for which the Purchaser's sample was displayed, besides meeting the specification listed in Section VII — "Technical Specifications" of the SBD. He would be issued a sealed Purchaser's sample for the purpose at the time of award of the contract.

52.3 Pre-Production Samples: If stipulated in SIT, successful contractor would be required to submit a Pre-Production sample(s) to the Inspecting Officer/ or the nominated authority mentioned in the contract within the time specified therein. If the Contractor is unable to do so, he must apply immediately to the Office issuing the acceptance of tender for extension of time stating the reasons for the delay. If the Purchaser is satisfied that a reasonable ground for an extension of time exists, he may allow such additional time as he considers to be justified (and his decision shall be final) with or without alteration in the delivery period stipulated in the contract and on such conditions as he deems fit. In the event of the failure of the Contractor to deliver the pre-production sample by the date specified in the acceptance of tender or any other date to which the time may be extended as aforesaid by the Purchaser or of the rejection of the sample, the Purchaser shall be entitled to cancel the contract and, if so desired, purchase or authorize the purchase of the stores at the risk and cost of the Contractor {unless specified otherwise in the SIT). In such an event, in case of Security Items where urgency develops due to such delays, BRBNMPL reserves its right to procure not more than one year's requirement against this "Risk & Cost" tender from existing pre-qualified and security cleared firms. Bulk production and supply will only be allowed if this sample(s) pass the Tests laid down in the Section VIII "Quality Control Requirements" in the SBD.

52.4 Testing of Samples: Tests, procedures and testing laboratories for testing samples would be detailed in the Section VIII — "Quality Control Requirements" in the SBD.

52.5 Validation/ Prolonged Trials: If specified in SIT or in the Section VIII — "Quality Control Requirements" in the SBD, pre-production samples may have to undergo validation or extended trial before their performance can be declared satisfactory.

52.6 Parameters Settings and duration of Validation Tests would be indicated in the Section VIII — "Quality Control Requirements" in the SBD. It would also stipulate the period or event marking end of validation trials. It would also be indicated therein whether the Permission to start bulk production will have to wait full validation or it can go on in parallel.

53. Expression of Interest (EOI) Tenders:

53.1 EOI tenders are floated for short listing firms who are willing and qualified for: -

- i. Registration of Vendors for Supply of particular Stores or certain categories of Stores.

ii. Development of new items or Indigenization of Imported stores

- 53.2** The qualification / eligibility criteria required and the format of submission of such Data would be indicated in the Section IX - "Qualification Criteria" in the SBD.
- 53.3** Objectives and scope of requirement would be indicated in the Section VI - "List of Requirements" in the SBD. Indicative quantity required yearly and its future requirements would also be indicated.
- 53.4** In case of EOI for Development of new Items or for Indigenization, prospective firms would be given opportunity to inspect the Machine/ Item at the place of installation at the place, dates and Time mentioned in SIT.
- 53.5** In case EOI is for registration of vendors, Registration Fees and validity period of registration would be detailed in the SIT.
- 53.6** Short List of Suppliers: The suppliers shall be evaluated for short listing, inter-alia, based on their past experience of supplying goods in similar context, financial strength, technical capabilities etc. Each supplier will be assigned scores based on weightages assigned to each of the criteria mentioned in the Section IX — "Qualification Criteria" in the SBD.
- 53.7** If stipulated in the SIT, the Firm's capacity and Capability may be assessed by a nominated Committee or by a third party nominated by BRBNMPL.
- 53.8** All suppliers who secure the minimum required marks (normally 50% unless otherwise specified in the Section IX) would be short listed. Section IX may alternatively specify minimum qualifying requirement for each of the criteria i.e. minimum years of experience, minimum number of assignments executed, minimum turnover etc. Under such circumstances, all suppliers who meet the minimum requirement, as specified, will be short listed_
- 53.9** In case of EOI for registration of vendors, registration letters would be issued to the short listed tenderers.
- 53.10** In case of EOI for development/ indigenization, these shortlisted tenderers would only be allowed to participate in the subsequent development/ indigenization tenders.

54. Tenders for Disposal of Scrap

- 54.1** Introduction: The tender is for Sale of Scrap material lying at various locations. Details of scrap for sale including Description, Present Condition, Lot Size and its Location would be given in the Section VI — "List of Requirements".
- 54.2** "As Is; Where Is; Whatever Is" Basis of This Sale:
- 54.2.1** This sale of Scrap is strictly on "As Is; Where Is; Whatever Is" basis. Tenderer must satisfy himself on all matters with regard to quality, quantity; nature of stores etc., before tendering as no complaint or representation of any kind shall be entertained after the safe contract is concluded.
- 54.2.2** The description of lot in the particulars of sale has been given for the purpose of identification thereof only and the use of such description shall not constitute the sale thereof to be sale by description and no sale shall be invalid by reason of any defect or deviation or variation in any lot or on account of any lot not being exactly described and the purchaser shall not be entitled to claim any damage or compensation whatsoever on account of such fault, error in description, weight or the like.

54.2.3 All quantities of scrap whether by weight or measurement mentioned in the Tender notice are only approximate and should the quantity, on actual weight or measurement basis as the case may be and whenever delivered on such basis, works out less than the advertised and for projected quantity, the BRBNMPL shall not under any circumstances be liable to make good any such deficiency

54.2.4 Item or items or terminate the contract at any stage by giving one week's notice. No claim whatsoever shall lie against the BRBNMPL on account of such termination of the contract or variation in the quantity.

54.2.5 BRBNMPL shall have the right to remove certain items which it feels were not intended for sale but were inadvertently made a part of the scrap material or of the lot offered for sale lying at the premises or were joined or attached to the material offered for sale.

54.2.6 Tenderers desirous of purchasing and participating in the tender must visit the site before submitting the offer, after taking due permission from the concerned Stock Holders. The Tenderers submitting the offers shall be deemed to have visited the site and acquainted themselves thoroughly with materials intended for sale in all respect.

54.2.7 Any person giving offer shall be deemed to have made himself fully conversant with the Terms and Conditions of the Tender Sale, as well as the location and condition of the materials being sold and shall be deemed to have agreed to all the stated terms and conditions herein under.

54.3 Submission of Offer:

54.3.1 Unless specified otherwise in the SIT, tenders shall hold good for acceptance for a minimum period of 90 days (ninety days) from the date of opening of the tenders. The offers of the tenderers shall be irrevocable.

54.3.2 The BRBNMPL reserves right to reject any offer without assigning any reason there for.

54.3.3 Unless otherwise stated in the SIT, the amount of EMD in such tenders would be 5% of the value of the tender. The Earnest Money shall be forfeited if the tenderer unilaterally withdraws amends, impairs or derogates from his offer in any respect within the period of validity of his offer.

54.3.4 If the offer of the tenderer is not accepted by the BRBNMPL, the Earnest Money deposit made by the tenderer shall be refunded to him. No interest shall be payable on such refunds. The EMD deposited by the successful tenderer shall remain with the BRBNMPL till payment of the security deposit (SD) money, as stipulated in relevant Clause, has been made. It may be adjusted as part of the total SD money at the discretion of the BRBNMPL.

54.3.5 Commercial tax / terminal tax, Octroi, municipal tax or any other taxes / duties etc. whatever in force shall be payable extra by the purchaser as per rules applicable to BRBNMPL. Current and valid PAN and sales / commercial tax registration number wherever applicable must be provided in the Bid of the Tenderer.

54.3.6 All arrangement for lifting and transportation of scrap material, including manpower, crane, transport vehicle and trolley etc, if required shall be made by the purchaser concerned only and the BRBNMPL shall not provide or help in providing any such arrangements and the rate quoted by the

purchaser must include such and all incidental charges.

54.3.7 Registered dealers who are exempted from payment of Sales Tax must submit copies of their Registration certificate of concerned authority and shall be required to submit necessary form duly completed in all respect to BRBNMPL or its representatives before obtaining delivery order, duly signed by the partner of the firm or the person authorized to do so.

54.3.8 Evaluation of tenders for Disposal of scrap will be done on similar basis as Tenders for Procurement of Goods, except that the selection of the bidders shall be on the basis of the highest responsive Bidder (Hi). In case full quantity is not offered to be taken by the Highest Bidder, parallel contracts would be placed.

54.4 Notification of Acceptance and Award of Contract:

54.4.1 The successful tenderer, herein after referred to as purchasers, shall have to submit security deposit (SD) @ 10% of the total sale value of the contract within 5 working days of issue of the sale contract (excluding the date of issue of sale contract). The SD shall be deposited in the form of bank draft/pay order, drawn on any nationalized or recognized bank in favour of same officer as mentioned in clause 3 of NIT in connection with EMD.

54.4.2 The purchaser has to pay balance payment within 20 days from the date of notification of acceptance, which is to be issued by BRBNMPL or his authorized representative, in form of Bank draft drawn on any nationalized or recognized bank in favor of same authority as mentioned above. In case of any, default to deposit balance payment, BRBNMPL reserves right to terminate the contract and forfeit the security deposit.

54.5 Disposal Tenders for Security and Sensitive Machinery and Items:

54.5.1 Non-Misuse Declaration: The bidder is required to give an undertaking that he or his employees or legal heirs will ensure that such items purchased from BRBNMPL, will be utilized only for scrap recovery and will not be misused for any other purpose. He will also ensure that this undertaking is honoured and it got underwritten from further down the line scrap processors/ re-purchasers, if any. In case his firm changes hands, it will be his responsibility to ensure that the new owners honour and underwrite this undertaking.

54.5.2 If stipulated in SIT delivery would be given only in dismantled / cut-up condition.

55. Development and Indigenization Tenders:

55.1 Already developed firms or firms who have already received development orders for the item (with whatever results) would not be considered in such tenders.

55.2 If specified in SIT the contract documents may be issued free of cost, and submission of earnest money deposit and security deposit may be relaxed.

55.3 If specified in SIT, The Tenderers may quote separately for

- i. Price / rate for bulk supply of item in development / indigenization supplies and
- ii. Separately, cost of development including cost of pre-production samples. Firms would be paid only for the number of samples specified in the

Tender. If he has to manufacture more samples due to failure of earlier one, he would not be paid for it.

- 55.4** L1 would be determined on the basis of rate of item quoted including reference to total cost of the development cost (including the cost of prototype) plus the notional total cost of quantities that will be required over next three years, wherever applicable.
- 55.5** Development contracts may, as far as feasible, be concluded with two or more contractors in parallel.
- 55.6** The ratio of splitting of the supply order between various development agencies / firms in cases of parallel development, including criteria thereof, would be specified in the SIT.
- 55.7** However, in case the requirement is meager and complex technology is involved, or quantity of the equipment/ spares is limited/small/ uneconomic if distributed between two vendors, the entire order could be placed upon the L1 vendor only.
- 55.8** If specified in SIT, Advance and Intermediate Payment to Suppliers may be allowed.

55.9 Quantity for Development Commitment

In Next three years, after the newly developed firm is able to successfully complete Development orders with $\pm 5\%$ tolerances, 20% of annual quantity requirement may be reserved for Newly Developed firms.

55.10 Period of Development Commitment

A newly developed firm would be granted this facility till only three years after completing the initial Development order. However, this facility is not a bar to the firm from competing with already established firms for quantities larger than 20% provided their prices and performance so warrant. Thereafter they would have to compete on equal terms with other already developed firms.

Section III: Special Instructions to Tenderers (SIT)

The following Special Instructions to Tenderers will apply for this purchase. These special instructions will modify / substitute / supplement the corresponding General Instructions to Tenderers (GIT) incorporated in Section II. The corresponding GIT clause numbers have also been indicated in the text below:

In case of any conflict between the provision in the GIT and that in the SIT, the provision contained in the SIT shall prevail.

(Clauses of GIT listed below include a possibility for variation in their provisions through SIT. There could be other clauses in SIT as deemed fit.)

SI. No.	GIT Clause No.	Topic	SIT Provision
1	2	Submission of tenders in Hindi or English	To be submitted in English only.

* Please note that validity of tender and EMD shall be counted from the date of opening of tender. If the tender opening date is extended for any reason, the tenderer should ensure that the dates up to which the tender and EMD are required to be valid, are also extended accordingly.

**** SIT Sl. No. 21: Additional factors for Evaluation of Offers**

Note A

Final L1 determination will be done based on the methodology adopted below: -

METHODOLOGY FOR CALCULATION OF LIFE CYCLE COST

The bidders are required to furnish data in the below given Table 1 (Power consumption) and Table C of Section XI: Price schedule. BRBNMPL will calculate Total Operating cost for all the bidders based on the data provided with respect to Power and Spares consumption in monetary terms by applying discount factor of 8% per year (as per Table A below) starting from the date of FAT till life cycle of the machine (10 years).

1. Power consumption cost
2. Maintenance spares cost

Discount Factor

The future Operating costs are discounted to Present value. Year wise discount factor which will be used for 10 years are given below.

Table A

Year	1	2	3	4	5
Discount factor	1	0.92593	0.85734	0.79383	0.73503

Year	6	7	8	9	10
Discount factor	0.68058	0.63017	0.58349	0.54027	0.50025

Initially, **Savings to Investment Ratio (SIR)** will be calculated by BRBNMPL for each bidder. Based on the Saving to Investment Ratio value arrived, it will be decided whether the bidder is further considered for calculation of Life Cycle Cost (LCC). (Calculation of Saving to Investment Ratio and Life Cycle Cost are explained below).

CONDITIONS FOR AWARDING OF CONTRACT BASED ON ORIGINAL QUOTED PRICE (OQP) OR ON LIFE CYCLE COST

- If the Savings to Investment Ratio for bidders are greater than one, then those bidders are further evaluated to arrive at their new ranking based on the Life Cycle Cost. Life cycle cost of respective bidder is sum of his OQP Price and his Total Operating Cost. Based on the new ranking derived, the contract shall be awarded on the OQP to the bidder whose Life Cycle Cost is lowest (as per Table 2).

- b. If the Saving to Investment Ratio for bidders are equal or less than one, then those bidders are not considered for further evaluation of Life Cycle Cost.
- c. If none of the bidders' Saving to Investment Ratio is greater than one, then the contract shall be awarded to the Original Quoted Price L1 bidder (as per Table B of Section IX: Price Schedule).
- d. It may be noted that higher SIR ratio is not the criteria to become L1. The bidder with SIR greater than one and least discounted Life Cycle Cost will be considered as L1 except in case of "C".

Example:

If four bidders have participated in the Tender and if their Savings to Investment Ratio are found to be as given below: -

Bidder	Status as per OQP	SIR Ratio	Remark
Bidder P	L1	NA	Nil
Bidder Q	L2	1.70	Qualifies for Life Cycle Cost calculation
Bidder R	L4	0.40	Not considered for further evaluation of Life Cycle Cost calculation
Bidder S	L3	1.50	Qualifies for Life Cycle Cost calculation

SAVING TO INVESTMENT RATIO (pl. see Table 2)

Saving to Investment Ratio = Incremental Saving Cost (B) ÷ Incremental Investment Cost (A)

Incremental Investment cost (A)

Incremental Investment cost will be calculated for all the bidders with reference to Original Quoted Price L1 (OQP L1) bidder i.e. the Incremental Investment cost for all the other bidders is the difference of Investment cost of other bidder to the Investment cost of OQP L1 bidder (as per the price submitted under Table B of Section XI: Price Schedule).

Incremental Investment cost for a bidder (A) = Investment cost of other bidders – Investment cost of OQP L1

Example: Incremental Investment cost of bidder Q = Investment cost of bidder Q – Investment cost of bidder P

Incremental Saving Cost (B)

Total Operating Cost (for life cycle of the machine) = Power consumption cost + Maintenance spares cost

Incremental Saving Cost will be calculated for all the bidders with reference to OQP L1 bidder i.e. the Incremental Saving cost for all the other bidders is the difference of Total Operating cost of OQP L1 bidder to the Total Operating cost of other bidder.

Incremental saving cost (B) = Total Operating cost of OQP L1 – Total Operating cost of other bidders

Example: Incremental saving cost of bidder Q = Total Operating cost of bidder P – Total Operating cost of bidder Q

LIFE CYCLE COST (pl. see Table 2)

Life Cycle Cost = Investment Cost (OQP Price) + Total Operating Cost (for entire life cycle of the machine)

(The contract shall be awarded on the Original Quoted Price to the bidder whose Life Cycle Cost is lowest as per Table 2)

BANK GUARANTEES TO BE SUBMITTED BY THE BIDDERS

1. Bidder has to submit two bank guarantees
 - a. **Performance Bank Guarantee:** Bidder has to submit a performance bank guarantee of 10% of the total CIF value of all machines for the first year and for the subsequent 09 years, the bank guarantee will be renewed machine-wise on FOB value with 10% reduction every year.
 - b. **Additional Bank Guarantee:** Bidder has to submit additional bank guarantee of 10% of the machine spare cost (10 years' spares as given in the Table C of Price schedule) for a period of 10 years for each machine which is renewable / new BG every year.
2. This performance BG is surety to prove the performance of all the machine's parameters & operational efficiency as claimed by the bidders during its entire life cycle of the machines (10 years) as per the prevailing production of Indian banknotes.
3. If any machine parameters (as per Section VII: Technical specification) are not proved by the bidder during FAT, performance BG will be invoked and purchaser may reject the machine consequently requiring the supplier to repay the total money paid for the machine within 3 months of such rejection. In such situation, purchaser reserves the right to place order on L2.
4. If the Power consumption is more than the claims made by the bidder during entire life cycle of the machine (10 years), then the proportionate amount for excess power consumption has to be reimbursed by the bidders on assessment of machine performance at the end of one-year performance to BRBNMPL and necessary action to be taken to identify and rectification of the problem (which is in the scope of the bidder) for such excess consumption. Otherwise, the same amount will be deducted from the performance BG submitted and if the compensation amount is more than the BG amount, the bidder has to make the payment within 3 months from the date of notifying the compensation claim.
5. If any spare parts fail (other than the spares parts list submitted for both breakdown and preventive maintenance) under normal operating condition as per prevailing practice at our BRBNMPL presses, then the same has to be supplied by the bidder at free of cost during its entire life cycle (10 years). If the spares are not supplied, then the same will be procured by BRBNMPL and the actual cost incurred by BRBNMPL along with damages caused (Production loss/machine downtime) will be claimed from the performance BG submitted.

1. Power Consumption

The bidder is required to submit the power consumption of their machine (including the power requirement for all auxiliaries, compressors and pumps etc.) in terms of KWH (Kilowatt Hour) per shift basis.

Following factors will be considered for the Power consumption cost for life cycle.

- Two Shifts per day (09 hours working per shift)
- 260 Working days per Year
- Rate: ₹8.00/- per KWH shall be used for calculation of cost of power consumption
- Life cycle period considered – 10 years

Projected / anticipated power consumption of per machine over a period of 10 years

Bidders should furnish Power consumption in KWH per shift per machine basis in the below Table 1 (please see next page for Table 1)

Table 1 - Projected / anticipated power consumption of per machine over a period of 10 years (To be filled by bidders)

Sl. No	Power consumption in KWH per machine per shift	1 st Year	2 nd year	3 rd year	4 th year	5 th year	6 th year	7 th year	8 th year	9 th year	10 th year

Similarly, calculation will be done in the above pattern for Power consumption for all the bidders based on the data provided by the bidders in the Table 1 above

2. Maintenance spares (Preventive and breakdown maintenance spares) consumption

The vendors should submit a detailed list of spares with unit rate as per the Table C of Price Schedule – Section XI (**Price should not be quoted here**)

Note:

- In the above example, Bidder P, Q and S are considered for further evaluation to arrive at Life Cycle Cost and the contract will be awarded to Bidder S.
- Since SIR of Bidder R is less than one, the Bidder R has not been considered for further evaluation for arriving Life Cycle Cost.
- While the above illustration cites only four bidders for better understanding, similar principle will be followed in case of more bidder

Section IV: General Conditions of Contract (GCC)

Part I: General Conditions of Contract applicable to all types of Tenders

1. **Definitions; Interpretation and Abbreviations:** In the contract, unless the context otherwise requires:

1.1 Definitions and Interpretation:

- 6.3.** In the event of any loss due to supplier's failure to fulfill its obligations in terms of the contract, the amount of the performance security shall be payable to BRBNMPL to compensate BRBNMPL for the same.
- 6.4.** In the event of any amendment issued to the contract, the supplier shall, within twenty-one days of issue of the amendment, furnish the corresponding amendment to the Performance Security (as necessary), rendering the same valid in all respects in terms of the contract, as amended.
- 6.5.** Subject to GCC sub-clause 6.3 above, BRBNMPL will release the performance security without any interest to the supplier on completion of the supplier's all contractual obligations including the warranty obligations.

7. Technical Specifications and Standards

- 7.1.** The Goods & Services to be provided by the supplier under this contract shall conform to the technical specifications and quality control parameters mentioned in 'Technical Specification' and 'Quality Control Requirements' under Sections VII and VIII of this document.

8. Packing and Marking

- 8.1.** The packing for the goods to be provided by the supplier should be strong and durable enough to withstand, without limitation, the entire journey during transit including transshipment (if any), rough handling, open storage etc. without any damage, deterioration etc. As and if necessary, the size, weights and volumes of the packing cases shall also take into consideration, the remoteness of the final destination of the goods and availability or otherwise of transport and handling facilities at all points during transit upto final destination as per the contract.

- 8.2.** The quality of packing, the manner of marking within & outside the packages and provision of accompanying documentation shall strictly comply with the requirements as provided in Technical Specifications and Quality Control Requirements under Sections VII and VIII and in SCC under Section V. in case the packing requirements are amended due to issue of any amendment to the contract, the same shall also be taken care of by the supplier accordingly.

8.3. Packing instructions:

Unless otherwise mentioned in the Technical Specification and Quality Control Requirements under Sections VII and VIII and in SCC under Section V, the supplier shall make separate packages for each consignee (in case there is more than one consignee mentioned in the contract) and mark each package on three sides with the following with indelible paint of proper quality:

- a) contract number and date
- b) brief description of goods including quantity
- c) packing list reference number
- d) country of origin of goods
- e) consignee's name and full address and
- f) supplier's name and address

9. Inspection and Quality Control

- 9.1.** BRBNMPL and / or its nominated representative(s) will, without any extra cost to BRBNMPL, inspect and/ or test the ordered goods and the related services to confirm their conformity to the contract specifications and other quality control details incorporated in the contract. BRBNMPL shall inform the supplier in advance, in writing, BRBNMPL's programme for such inspection and, also the identity of the officials to be deputed for this purpose. (Refer SCC)

- 9.2.** The Technical Specification and Quality Control Requirements incorporated in the contract shall specify what inspections and tests are to be carried out

and, also, where and how they are to be conducted. If such inspections and tests are conducted in the premises of the supplier or its subcontractor(s), all reasonable facilities and assistance, including access to relevant drawings, design details and production data, shall be furnished by the supplier to BRBNMPL 's inspector at no charge to BRBNMPL.

- 9.3. If during such inspections and tests the contracted goods fail to conform to the required specifications and standards, BRBNMPL 's inspector may reject them and the supplier shall either replace the rejected goods or make all alterations necessary to meet the specifications and standards, as required, free of cost to BRBNMPL and resubmit the same to BRBNMPL's inspector for conducting the inspections and tests again within the delivery period of the contract unless otherwise specified in SCC.
- 9.4. In case the contract stipulates pre-despatch inspection of the ordered goods at suppliers' premises, the supplier shall put up the goods for such inspection to BRBNMPL's inspector well ahead of the contractual delivery period, so that BRBNMPL's inspector is able to complete the inspection within the contractual delivery period.
- 9.5. If the supplier tenders the goods to BRBNMPL's inspector for inspection at the last moment without providing reasonable time to the inspector for completing the inspection within the contractual delivery period, the inspector may carry out the inspection and complete the formality beyond the contractual delivery period at the risk and expense of the supplier. The fact that the goods have been inspected after the contractual delivery period will not have the effect of keeping the contract alive and this will be without any prejudice to the legal rights and remedies available to BRBNMPL under the terms & conditions of the contract.
- 9.6. BRBNMPL's contractual right to inspect, test and, if necessary, reject the goods after the goods' arrival at the final destination shall have no bearing of the fact that the goods have previously been inspected and cleared by BRBNMPL's inspector during pre-despatch inspection mentioned above.
- 9.7. Goods accepted by BRBNMPL and/ or its inspector at initial inspection and in final inspection in terms of the contract shall in no way dilute BRBNMPL 's right to reject the same later, if found deficient in terms of the warranty clause of the contract, as incorporated under GCC Clause.

23. Delay in the supplier's performance

23.1. The time for and the date specified in the contract or as extended for the delivery of the stores shall be deemed to be the essence of the contract and the supplier shall deliver the goods and perform the services under the contract within the time schedule specified by BRBNMPL in the List of Requirements and as incorporated in the contract.

23.2. Subject to the provision under GCC clause 28, any unexcused delay by the supplier in maintaining its contractual obligations towards delivery of goods and performance of services shall render the supplier liable to any or all of the following sanctions besides any administrative action:

- a) imposition of liquidated damages,
- b) forfeiture of its performance security and
- c) Termination of the contract for default.

23.3. If at any time during the currency of the contract, the supplier encounters conditions hindering timely delivery of the goods and performance of services, the supplier shall promptly inform BRBNMPL in writing about the same and its likely duration and make a request to BRBNMPL for extension of the delivery schedule accordingly. On receiving the supplier's communication, BRBNMPL shall examine the situation as soon as possible and, at its discretion, may agree to extend the delivery schedule, with or without liquidated damages for completion of supplier's contractual obligations by issuing an amendment to the contract.

23.4. When the period of delivery is extended due to unexcused delay by the supplier, the amendment letter extending the delivery period shall, inter alia contain the following conditions:

- a) BRBNMPL shall recover from the supplier, under the provisions of the clause 24 of the General Conditions of Contract, liquidated damages on the goods and services, which the Supplier has failed to deliver within the delivery period stipulated in the contract
- b) That no increase in price on account of any ground, whatsoever, including

any stipulation in the contract for increase in price on any other ground and, also including statutory increase in or fresh imposition of customs duty, excise duty, sales tax or on account of any other tax or duty which may be levied in respect of the goods and services specified in the contract, which takes place after the date of delivery stipulated in the contract shall be admissible on such of the said goods and services as are delivered and performed after the date of the delivery stipulated in the contract.

- c) But nevertheless, BRBNMPL shall be entitled to the benefit of any decrease in price on account of reduction in or remission of customs duty, excise duty, sales tax or any other duty or tax or levy or on account of any other grounds, which takes place after the expiry of the date of delivery stipulated in the contract.

23.5. The supplier shall not despatch the goods after expiry of the delivery period. The supplier is required to apply to BRBNMPL for extension of delivery period and obtain the same before despatch. In case the supplier despatches the goods without obtaining an extension, it would be doing so at its own risk and no claim for payment for such supply and / or any other expense related to such supply shall lie against BRBNMPL.

24. Liquidated damages

24.1. Subject to GCC clause 28, if the supplier fails to deliver any or all of the goods or fails to perform the services within the time frame(s) incorporated in the contract, BRBNMPL shall, without prejudice to other rights and remedies available to BRBNMPL under the contract, deduct from the contract price, as liquidated damages, a sum equivalent to the 0.5% percent (or any other percentage if prescribed in the SCC) of the delivered price of the delayed goods and/ or services for each week of delay or part thereof until actual delivery or performance, subject to a maximum deduction of the 10% (or any other percentage if prescribed in the SCC) of the delayed goods' or services' contract price(s). During the above mentioned delayed period of supply and / or performance, the conditions incorporated under GCC sub-clause 23.4 above shall also apply.

25. Custody and Return of BRBNMPL Materials/ Equipment/ Documents loaned to Contractor

25.1. Whenever stores are required to be issued to the firm/contractor for fabrication or prototypes or sub-assemblies are issued for guidance in fabrication, these would be issued against appropriate Bank Guarantee as specified in SCC. In addition to the Bank Guarantee, appropriate insurance may be asked if specified in the SCC.

25.2. All drawings and samples issued to the contractor in connection with the contract must be returned by him. Final payment will be withheld if this is not done, besides any other sanction deemed fit by BRBNMPL.

26. Termination for default

26.1. BRBNMPL, without prejudice to any other contractual rights and

remedies available to it (BRBNMPL), may, by written notice of default sent to the supplier, terminate the contract in whole or in part, if the supplier fails to deliver any or all of the goods or fails to perform any other contractual obligation(s) within the time period specified in the contract, or within any extension thereof granted by BRBNMPL pursuant to GCC sub-clauses 23.3 and 23.4.

26.2. In the event of BRBNMPL terminates the contract in whole or in part, pursuant to GCC sub-clause 26.1 above, BRBNMPL may procure goods and/or services similar to those cancelled, with such terms and conditions and in such manner as it deems fit at the "Risk and Cost" of the supplier and the supplier shall be liable to BRBNMPL for the extra expenditure, if any, incurred by BRBNMPL for arranging such procurement.

26.3. Unless otherwise instructed by BRBNMPL, the supplier shall continue to perform the contract to the extent not terminated.

27. Termination for insolvency

27.1. If the supplier becomes bankrupt or otherwise insolvent, BRBNMPL reserves the right to terminate the contract at any time, by serving written notice to the supplier without any compensation, whatsoever, to the supplier, subject to further condition that such termination will not prejudice or affect the rights and remedies which have accrued and / or will accrue thereafter to BRBNMPL.

28. Force Majeure

28.1. In the event of any unforeseen event directly interfering with the supply of stores arising during the currency of the contract, such as war, hostilities, acts of the public enemy, civil commotion, sabotage, fires, floods, explosions, epidemics, quarantine restrictions, strikes, lockouts, or acts of God, the Contractor shall, within a week from the commencement thereof, notify the same in writing to the Purchaser with reasonable evidence thereof. Unless otherwise directed by BRBNMPL in writing, the supplier shall continue to perform its obligations under the contract as far as reasonably practical, and shall seek all reasonable alternative means for performance not prevented by the Force Majeure event. If the force majeure condition(s) mentioned above be in force for a period of 90 days or more at any time, either party shall have the option to terminate the contract on expiry of 90 days of commencement of such force majeure by giving 14 days' notice to the other party in writing. In case of such termination, no damages shall be claimed by either party against the other, save and except those which had occurred under any other clause of this contract prior to such termination.

28.2. Notwithstanding the provisions contained in GCC clauses 23, 24 and 26, the supplier shall not be liable for imposition of any such sanction so long the delay and/ or failure of the supplier in fulfilling its obligations under the contract is the result of an event of Force Majeure.

28.3. In case due to a Force Majeure event BRBNMPL is unable to fulfill its contractual commitment and responsibility, BRBNMPL will notify the supplier accordingly and subsequent actions taken on similar lines described in above sub-paragraphs.

29. Termination for convenience

29.1. BRBNMPL reserves the right to terminate the contract, in whole or In part for its (BRBNMPL) convenience, by serving written notice on the supplier at any time during the currency of the contract. The notice shall specify that the termination is for the convenience of BRBNMPL. The notice shall also indicate inter-alia, the extent to which the supplier's performance under the contract is terminated, and the date with effect from which such termination will become effective.

29.2. The goods and services which are complete and ready in terms of the contract for delivery and performance within thirty days after the supplier's receipt of the notice of termination shall be accepted by BRBNMPL following the contract terms, conditions and prices. For the remaining goods and services, BRBNMPL may decide:

a.to get any portion of the balance completed and delivered at the contract terms, conditions and prices; and / or

b. to cancel the remaining portion of the goods and services and compensate the supplier by paying an agreed amount for the cost incurred by the supplier towards the remaining portion of the goods and services.

30. Governing language

30.1. The contract shall be written in Hindi or English language following the provision as contained in GIT clause 2. All correspondence and other documents pertaining to the contract, which the parties exchange, shall also be written accordingly in that language.

31. Notices

31.1. Notice, if any, relating to the contract given by one party to the other, shall be sent in writing or by cable or telex or facsimile and confirmed in writing. The procedure will also provide the sender of the notice, the proof of receipt of the notice by the receiver. The addresses of the parties for exchanging such notices will be the addresses as incorporated in the contract.

31.2. The effective date of a notice shall be either the date when delivered to the recipient or the effective date specifically mentioned in the notice, whichever is later.

32. Code of Ethics

BRBNMPL as well as Bidders, Suppliers, Contractors, and Consultants under BRBNMPL contracts shall observe the highest standard of ethics during the procurement or execution of such contracts. In pursuit of this policy, for the purposes of this provision, the terms set forth below are defined as follows:

- (a) "Corrupt practice" means the offering, giving, receiving, or soliciting, directly or indirectly, of anything of value to influence the action of a public official in the procurement process or in contract execution;
- (b) "Fraudulent practice" means a misrepresentation or omission of facts in order to influence a procurement process or the execution of a contract;
- (c) "Collusive practice" means a scheme or arrangement between two or more Bidders, with or without the knowledge of the Purchaser, designed to establish bid prices at artificial, non competitive levels; and
- (d) "Coercive practice" means harming or threatening to harm, directly or indirectly, persons or their property to influence their participation in the procurement process or affect the execution of a contract.
- (e) A particular violation of ethics may span more than one of above mentioned unethical practices.

32.1. The following policies will be adopted in order to maintain the standards of ethics during procurement:

- (a) A proposal for award will be rejected if it is determined that the Bidder recommended for award has, directly or through an agent, engaged in corrupt, fraudulent, collusive or coercive practices in competing for the Contract in question.
- (b) A contract will be cancelled if it is determined at any time that BRBNMPL representatives/ officials have directly or indirectly, engaged in corrupt, fraudulent, collusive or coercive practices during the procurement or the execution of that contract
- (c) In case any individual staff is found responsible, suitable disciplinary proceedings should be initiated against such staff under the applicable government conduct rules. The existing provisions under the Indian law including the instructions of Central Vigilance Commission should be followed in this regard.
- (e) Firms or individuals shall be banned/ blacklisted after following due process, including declaring them ineligible, either indefinitely or for a stated period of time, to be awarded a BRBNMPL contract, if it at any time determines that they have, directly or through an agent, engaged in corrupt, fraudulent, collusive or coercive practices in competing for, or in executing, a BRBNMPL contract.
- (f) The bidders shall express their willingness to execute the Pre-contract integrity pact as per the enclosed format before finalization of the agreement.

33. Resolution of disputes

33.1. If dispute or difference of any kind shall arise between BRBNMPL and the supplier in connection with or relating to the contract, the parties shall make every effort to resolve the same amicably by mutual consultations. If the parties fail to resolve their dispute or difference by such mutual consultation within twenty-one days of its occurrence, then, unless otherwise provided in the SCC, either BRBNMPL or the supplier may seek recourse to settlement of disputes through arbitration as per The Arbitration and conciliation Act 1996

as per following clause.

33.2. Arbitration Clause: - If both parties fail to reach such amicable settlement, then either party (the Purchaser or Seller) may within 21 days of such failure give a written notice to the other party requiring that all matters in dispute or difference be arbitrated upon. Such written notice shall specify the matters which are in difference or of difference of which such written notice has been given and no other matter shall be referred to the arbitration in accordance with the conciliation and arbitration rules of International Chamber of Commerce {ICC}/United National Commission on International Trade Law (UNCITRL) by three arbitrators appointed in accordance with the procedure set out in clause below. The arbitration proceeding shall be held in Bengaluru and shall be conducted in English language. All documentation to be reviewed by the arbitrators and/ or submitted by the parties shall be written or translated into English. Venue of arbitration shall be Bengaluru. The arbitrator or arbitrators appointed under this article shall have the power to extend time to make the award with the consent of the parties. Pending reference to arbitration the parties shall make all endeavours to complete the contract/work in all respects and all disputes, if any, will finally be settled in the arbitration.

34. Applicable Law

34.1. The contract shall be interpreted in accordance with the laws of India.

34.2. Irrespective of the place of delivery, or the place of performance or the place of Payments under the contract, the contract shall be deemed to have been made at the place from which the notification of acceptance of the tender has been issued.

35. Secrecy

35.1. The Contractor shall take all reasonable steps necessary to ensure that all persons employed in any work in connection with the contract, have full knowledge of the Official Secrets Act and any regulations framed thereunder.

35.2. Any information obtained in the course of the execution of the contract by the Contractor, his servants or agents or any person so employed, as to any matter whatsoever, which would or might be directly or indirectly, of use to any enemy of India, must be treated secret and shall not at any time be communicated to any person.

35.3. Any breach of the aforesaid conditions shall entitle the Purchaser to cancel the contract and to purchase or authorize the purchase of the stores at the risk and cost of the Contractor, In the event of such cancellation, the stores or parts manufactured in the execution of the contract shall be taken by the Purchaser at such price as he considers fair and reasonable and the decision of the Purchaser as to such price shall be final and binding on the Contractor.

Section VI: List of Requirements

Schedule No.	Brief Description of Goods / Services	Quantity (with unit)	Earnest Money (in ₹)	Remarks
1.	High Capacity Sheet Cutting System combined with Multiple Single Note Inspection Systems	Total = 02 Nos. (01 No. for Mysuru Press, 01 No. for Salboni Press)	₹ 06 Crores	

Note: -

1. Only a Single Note Inspection System manufacturer can be the prime bidder taking responsibility to integrate any suitable Sheet Cutting System of his choice.
2. Bidder has to quote for **both the Presses**. In case if bidder is quoting for only one Press' requirement (e.g. Salboni Press alone / Mysuru Press alone), the offer shall be rejected.
3. Bidders are advised to visit the presses to assess the space available before bidding.

Required Delivery Schedule

- i Dispatch (FOB) of the 1st machine (for Mysuru) to be completed within the specified delivery period of 12 months from the date of issue of Letter of Intent (LOI).
- ii Dispatch (FOB) of the 2nd machine (for Salboni) to be completed at a gap of 03 months from the date of dispatch (FOB) of the 1st machine i.e. within the specified delivery period of 15 months from the date of issue of Letter of Intent (LOI).
- iii Installation, testing and commissioning for each machine shall start within 30 days on receipt of the machine/s at Stores of respective location.
- iv Each machine shall be installed, tested and commissioned and final acceptance test to be carried out including issue of Final Acceptance Certificate by respective presses, within 90 days from date of receipt of item at respective site.

Destination Port:

1. Chennai Seaport for BRBNMPL, Mysore
2. Kolkata Seaport for BRBNMPL, Salboni

Scope of Supply: Scope of Supply shall include besides the equipment offered, all the incidental services/accessories, considered necessary for supply installation and commissioning **and the Price quoted in price Bid for the equipment should be inclusive of such services/accessories. Cost break-up showing costs of all these incidental services / accessories included in the scope of supply must be indicated in the Financial Bid in Section XI – Price Schedule. No price details should be given or hinted here.** Accordingly mention here such services / accessories included in the scope of supply:

- a. Training - mention scope and extent. (Details of training to be provided may be specified – Place of training, No. of employees, Hours of training, Training material etc.)
- b. Any other incidental service (and their scope and extent)
- c. additional software and/or accessories etc.

Section VII: Technical Specifications

High Capacity Sheet Cutting System combined with Multiple Single Note Inspection Systems

General Specifications:

BRBNMPL intends to procure state of the art “High Capacity Sheet Cutting System combined with Multiple Single Note Inspection Systems” with on line shredding of rejected banknotes and banding of 100 notes in packet, bundling and shrink wrapping of 1000 good banknotes.

1. The system should be capable of cutting, inspecting both sides (front and reverse) of the numbered notes and packing them as per the requirement @ **3 Million Banknotes / Shift** at least (*1 shift comprises 9 hours out of which 7 hours is the machine running time and 2 hours is the machine preparation and shift end accounting time*).
2. Minimum guaranteed throughput of the offered integrated system should be **3 Million Banknotes / Shift**. This can be achieved through **multiple** single note inspection & packing modules coupled with suitable sheet processing system.
3. Bidders can integrate multiple single note inspection modules with each cutting system. However, maximum machine footprint should be within **260 m²**.
4. The system should be future-ready and equipped with the latest sensors for detection of latest security features available in the market.
5. In the case of multiple modules, bidder shall ensure that each module executes its functions independently of the functioning of other modules, their operation mode and technical condition.
6. The System should have seamless interfacing between the cutting and inspection modules.
7. The system shall remain operational during downtime of one or several inspection modules for maintenance, repair or revamping.
8. In case of multiple modules for inspection and packing being offered, bidder shall ensure that adequate working space is provided in between the modules to ensure ergonomics.
9. System is expected to be divided into two main segments viz., Cutting segment and Inspection and packing segment. The system should provide flexibility to independently operate individual segments i.e., only Cutting segment or only Inspection and Packing segment.
10. System should be capable of giving report of accepted and rejected notes with zero error.
11. The system should be capable of handling notes printed on CWEB paper as well as on Plastic/Polymer/Composite substrate.
12. The system should be robust enough to operate on 3 shift basis.
13. The system should have provision for installation of at least 3 additional (3rd party) detectors/sensors for checking certain security features incorporated in the banknotes such as paper taggant (e.g. M-Feature) etc. in addition to detectors/sensors required for checking regular security features. Interfacing with the system shall be the responsibility of the prime bidder.
14. The specific security feature detector/sensor like M-Feature in the Banknotes currently under production, shall be provided by BRBNMPL. The successful bidder should ensure proper interfacing and functioning for delivering the desired results.

15. The machine should be capable of handling all Indian Currency (all denominations) without any major mechanical re-adjustments. However, if any mechanical adjustments are required, they should be mechanized.
16. The system should be capable of Format change from one denomination to another denomination, including all adaptations and size changes within 6 hours with 4 operators. After Format change, the setting time/stabilization time should be minimum.
17. Environmental Condition and power supply:
 - a. The machine should be able to run at the temperature of 23 ± 2 °C and Humidity of 55 ± 5 RH
 - b. The power supply is 3 phase 3 wire system, voltage of $415 \pm 5\%$, 50 Hz $\pm 5\%$, shall be provided at a single point only
 - c. Compressed air is available at 7 Kg/cm².
 - d. Noise level of the M/C should be as per ISO or equivalent Standard (< 85Db).
18. The supplier shall include in their offer, UPS power back-up for computers and control modules for minimum 15 minutes to restore the machine's operation from where it stopped when power supply is restored.
19. The supplier shall provide the service support for software and machine spares for at least 10 years.
20. System should be suitable
 - a. To process printed Cylinder Mould Vat Made Watermarked paper (CWBN paper)/ Plastic/Polymer/Composite substrate
 - b. To handle a block (100 Full size sheets) thickness of max 15 mm
 - c. To handle a Bundle (1000 Notes) thickness of around 100 to 150 mm
 - d. To handle paper with GSM between 75 to 125
 - e. To handle paper thickness ranging from 85 to 130 Microns
 - f. To handle sheets with watermarks, Security thread (1.4 mm to 4.5 mm)
 - g. To handle sheets/notes with variation in thickness attributable to paper making and printing
21. Should be suitable to handle banknote sheet with dimensions
 - a. **Length:** 400 to 700 mm
 - b. **Width:** 500 to 820 mm
22. Should be suitable to handle banknote with dimensions
 - a. **Length:** 120 mm to 180 mm
 - b. **Width:** 60 mm to 80 mm

The enumerated requirement is bare minimum however we are open to any better systems.

Technical Specifications:

A) Sheet cutting system:

1. The sheet cutting system should have a **minimum cutting speed of 80 packets/min** and should be capable of ensuring **minimum guaranteed throughput of 3 million Banknotes / shift of the integrated system as a whole.** *(1 shift comprises 9 hours out of which 7 hours is the machine running time and 2 hours is the machine preparation and shift end accounting time).*

2. The cutting system should ensure fully automatic continuous in-feeding of multiple single note inspection modules. If one or more inspection modules are down for maintenance, repair or revamping, the system should be flexible enough to in-feed the remaining operational inspection modules.
3. The system should be capable of accepting the feeding blocks of 100 sheets of Banknotes which are pre-printed and numbered.
4. The system should have provision for jogging and counting of sheets before feeding for cutting. Two corner disc type counting should be part of standard scope.
5. Format change including size change should be effected within 6 hours with 4 operators.
6. The system should be capable of handling the waviness caused after intaglio printing to ensure and maintain good quality of cutting.
7. The system should be equipped with suitable precision cutting method to ensure accurate cutting and increased life of knife.
8. The various units of the cutting system should be easily accessible to the operators and maintenance crew.
9. The System should be equipped with fully automatic suitable transfer system to ensure smooth in-feeding of cut notes to multiple 'single note inspection modules'.
10. Production speed of the cutting system (**minimum speed @ 80 packets/min**) should commensurate with the speed of multiple single note inspection system/s included in the offer to ensure **a minimum throughput of 3 million banknote/shift of the integrated system as a whole.**
11. Cutting system should be capable of handling the
 - a. Maximum sheet size of 700 mm X 820 mm
 - b. Minimum sheet size of 400 X 500 mm
12. System should be capable of cutting sheets
 - a. Column: 4 to 6 Columns
 - b. Row: 7 to 10 Rows
 - c. Sheet Matrix: 28 to 60 ups
13. Machine should be capable of handling wavy paper.
14. Cutting Accuracy: ± 0.25 mm for each length and width of the note produced
15. The sheet cutting unit should **preferably** form a 'closed loop system' with the inspection unit so that the sheet cutting unit can auto-correct itself on receipt of feedback regarding rejections due to wrong cut. The bidders may quote for such a system **optionally** if they have such a proven system in their portfolio.

B) Single Note Inspection System:

- a. Multiple single note inspection modules to be integrated with a suitable sheet cutting system to ensure a minimum guaranteed throughput of **3 million banknotes/shift** of the integrated system as a whole.
- b. Inspection modules should have latest sensors for detecting latest security features available in the market to ensure a future-ready system.
- c. The feeder of each inspection module should have provision for suitable feeding arrangement to accept minimum of 10,000 notes to ensure continuous processing of banknotes. Any other suitable buffer system ensuring continuous processing of banknotes is acceptable.

- d. If one or more inspection modules are down for maintenance, repair or revamping, the system should be flexible enough to run with the remaining operational inspection modules fed automatically by the cutting system.
- e. The inspection modules should have two feeders, one for manual feeding and the other one for automatic feeding. Bidder can also offer a system with only one feeder which would cater for manual as well as auto feeding when selected by the operator.
- f. The system must ensure precise guidance / transport of notes and avoid frequent interruptions due to jamming etc.
- g. The system should have efficient singling to separate notes from the stack of 1000 without any error. The system should be provided with suitable double note detector for detection of double note at high speed.
- h. It should be capable of examining all standard printing defects of Offset, Intaglio and Numbering on both sides of the notes. The system should check note dimensions and presence of water mark and security thread. The typical printing defects to be detected are set off, colour variation, ink smudges, wiping mark, puncture, design break, mis-registration, no print, corner fold, tears and creasing, less inking in numbering, double impression, number jump, no numbering, wrong numbering or any other defect found when compared to approved reference standard.
- i. It should be capable of reading the number accurately. False acceptance and false rejections are not acceptable.
- j. The system should ensure the inspection of banknotes, whose parameters are as follows:
 - Length within a range from 120 to 180 mm;
 - Width within a range from 60 to 80 mm;
 - Thickness of paper within a range from 85 to 130 Microns;
 - Grammage of paper 75-125 g/m² with watermark.
- k. At one run of the banknotes through the inspection system, the system should inspect the printed single notes on both sides for quality compliance with the requirements described below:

1. Specific Inspection Requirements:

The resolution of the optical inspection must be 0.2 mm x 0.2 mm (127 dpi) for each RGB color. A high-resolution area with 0.1 mm x 0.1 mm (at configurable RGB color mix) shall be available for the quality inspection of serial numbers.

1. Inspection of Note Geometry:

- a. Should compare the size of Banknotes from the reference values
- b. Lateral and Circumferential registration between the various print layers

2. Inspection of Banknote Image:

- a. Conformity of Banknote to the reference image
- b. Colour of the image vis-à-vis reference image
- c. Brightness of the image vis-à-vis reference image
- d. Presence of image
- e. Over inking
- f. Under inking

3. **Inspection of Banknote Serial Numbers:**

System shall check:

- i. Presence of Serial Numbers
 - ii. Colour of Serial Numbers vis-à-vis reference image
 - iii. Lateral and Circumferential registration of serial Numbers
 - iv. Identity of alphanumeric characters of the serial number in both locations where it is printed
 - v. Check for repeated numbers in the run
 - vi. Missing characters in the number
 - vii. Mismatch in serial numbers printed on top and bottom of each note
4. **Inspection of cutting of notes vis-à-vis reference image:** Verification of cutting tolerances (banknote shape and size, distances of print layers to the edges) and cutting errors (concave, trapezoidal cutting)
5. Inspection of Image of banknote vis-à-vis reference image under UV light
6. Inspection of Image of the Banknote vis-à-vis reference image under IR
7. Inspection of presence of magnetic threads, inks and other magnetic features
8. Inspection of presence of metalized objects such as security thread, foil
9. Inspection of presence of Micro-perforations
10. Inspection of location, image, size and shape of watermark in unprinted areas of Intaglio print
11. Inspection of presence and location of windowed security thread. Number of windows to be checked mandatorily.
12. Inspection of defects in the substrate (e.g. tears, holes, creases, quality and position of the watermark)
13. Standardized interfaces for 3rd party sensors to verify covert features
14. **Detectors** (The system should necessarily have the following detectors/sensors)
- a. Visible spectrum scanner for reading and analysis of color image of a banknote in the visible spectrum from both sides, one scanner per each side
 - b. UV luminescence Scanner for reading and analysis of monochrome image of a banknote in the UV spectrum from both sides, one scanner per each side
 - c. Reflection mode IR spectrum Scanner for reading and analysis of monochrome image of a banknote in the IR spectrum from both sides, one scanner per each side
 - d. Transmission type IR spectrum scanner for reading and analysis of monochrome image of transmission capacity of a banknote in the IR spectrum
 - e. Magnetic security detector for reading and analysis of objects with magnetic properties
 - f. Detector of metalized objects for reading and analysis of metal and metalized objects
 - g. Double note detector
15. **Inspection Parameters:**
- The SYSTEM must allow the setup of the parameters (i.e. regions, thresholds) for the inspection of the visible properties on the basis of a training set for the initial adaptation of a specific denomination.

- The SYSTEM must display on-line inspection results of the banknotes, incl. the fit and unfit results for the last 1,000 notes, the position and size of quality defects, and unfit rate details, all of them continuously refreshed.
 - The SYSTEM must record and report the reject and unfit reasons related to the input unit.
 - The SYSTEM must be able to manage and store independent adaptations for multiple denominations without limitation, selectable by the user. It must support automatic download and activation of the inspection parameters without user or service intervention.
 - The SYSTEM must support a sensor test mode for processing defined fit and/or unfit banknotes without being counted and recorded for the active input unit. This mode must allow checking the repeatability of inspection results and/or calibrate the sensors based on defined test decks....
- m. System shall be capable of the logging of results, and the classification of detected defects in banknotes by stages of the technological process in accordance with the defect generation stage such as Paper related, offset related, Intaglio related, Numbering related & Finishing related and in accordance with the mode of inspection such as Visible spectrum, UV Image, IR image, Geometric, Magnetic etc., Exact process-wise, side-wise defect classification will be discussed and finalised with the successful bidders.
- n. System such inspect the banknote in such a way that the ones matching the requirements of technical specifications shall be treated as fit notes and shall form of packets consisting of fit banknote. All accepted notes to fall in separate compartment with number record on the computer system. Note/s that are not matching the requirements of technical specifications shall be treated as unfit notes and all such reject notes shall be transported to shredder or to fall in reject compartment with records available in computer system.
- o. System shall have suitable logging of information on series and number of fit and rejected banknotes
- p. System shall ensure that all notes are inspected.

C) On line Shredding of rejected banknotes and transportation of shreds

The system should have provision of on line shredding of rejected banknotes with the below mentioned features.;

- a. The SYSTEM must provide an integrated online shredder unit for secure destruction of unfit banknotes. The typical shred size shall be less than 24 mm², with less than 5% of the shreds in the range of 24 to 40 mm².
- b. The shreds shall be collected in bags/bales in an earmarked area approx. 250m further from the machine. The shreds shall be transported to the collection area by means of a suitable pneumatic transportation system through MS/GI/Rigid hard PVC Pipes in a secure manner. The pipes must be seamless, polished smooth in the inside and should have transparent sections at suitable intervals. The scope of work shall include: -
 - Design, supply, fabrication and installation of suitable size MS/GI/Rigid hard PVC pipes (min 100 mm to max. 175 mm ϕ) of minimum thickness 1.7 mm, including its accessories like supports, manual dampers and required sensors etc., for smooth transportation of banknote shreds up to an approx. distance of 250m.

- Supplier has to design, supply, test and successfully commission suitable pneumatic transportation system to transport shredded banknotes without obstruction up to an approx. distance of 250m along with centrifugal blower of suitable rating, adequate nos. of filter bags and two nos. of collecting bags.
 - Supplier has to provide necessary control system and wiring including proximity sensor to indicate the collection bag is about to fill and to indicate ON / OFF status of suction blower at shredding machine and also at section.
 - Supplier has to provide 04 Nos. of Toughened Glass Tube (Glass window) of length 300 mm at suitable intervals to view the smooth flow of shreds.
 - Adequate inspection doors to be provided on the pipe.
 - Manual damper has to be provided at the Collector Unit to switch the flow of shreds from one bag to another.
 - Y-joint has to be provided to divert the flow of shreds to a standby unit during maintenance.
 - Supplier has to provide proper and adequate nos. of grooved and shouldered joints and wall supports for holding the pipe and communication cable casings to avoid deflection and ensure safety for entire length.
 - The pipe should be 100 % leak proof, should have proper sealing at the joints, bends and flexible enough to enable optimum suction.
 - The pipe should be painted. The colour and quality of paint should match with the Shredder colour.
 - The pipe shall connect our inspection machine at one end and Collector Unit at the other end.
 - Supplier has to lay and terminate suitable rating power cable of distance up to a 100m from our Power Distribution Board to the control panel of pneumatic transportation system (power supply: 415 V \pm 5%, 3 phase, 50 Hz. \pm 5%).
- c. For auditing purpose, the shredder shall be exchangeable with a loose note audit stacker having a minimum capacity of 1000 notes. However, any superior solution that does not require the shredder to be exchanged shall be acceptable.
 - d. The shredder security area must be covered, secured and mechanically locked with a divided key. Any opening and manual access to this area must be logged.
 - e. The SYSTEM must support accurate counting and logging of destroyed banknotes in case of component failures or external power failures. It must provide according log data for detailed analysis. This shall minimize the risk of errors and manipulations and provide clear evidence of events in case of disturbance and/or malfunction.
 - f. System shall have a provision of disabling of shredding function by the operator with due authorization. However, the fact of disabling to be logged.

D) Packing System:

- a. System shall have provision for formation of packets (100 banknotes each), of fit notes, with secure banding, without retaining the numbering order with appropriate logging.
- b. System should have suitable packet banding, high speed collector, bundle banding and bundle counting units.
- c. System should have Labelling of bundles and packets with 2D bar codes containing information on serial numbers of banknotes inside.

- d. The system should deliver notes in packets of 100 fit notes in banded form. The banding position should be off center and adjustable. The banking system should accept paper/ plastic band of 20-30 mm width.
- e. The final output in bundle of 1000 notes (10 banded packets either alternate packets rotated 180° or two 5 packets banded and rotated), so that all the packet bands (100 notes) are visible. Banding is by paper/ plastic of 30-50mm width.
- f. After banding of 1000 notes, the bundle consisting of 1000 banknotes (10 packets of 100 banding in alternate 180° rotation or two 5 packet (500 notes) banded in alternate 180° rotation) has to be shrink-wrapped before final delivery.
- g. The machine should be capable of generating unique sequential bundle number and detail of banknote numbers contained in the bundle should be available as soft copy. Machine to generate a label /data through IJP printer to be fixed/printed on the shrink wrapped bundle respectively.
- h. System shall be suitable to handle Bundle size of Max. (mm L x W x H): 180 x 90 x 150 mm and Min. (mm L x W x H): 105 x 56 x 90 mm.
- i. System shall ensure that each BUNDLE is shrink-wrapped and discharged at the delivery section.
- j. Packets shall be suitable for shrink wrapping with the film described below:
 - i. LDPE (Low Density Polyethylene film), centrally folded.
 - ii. Thickness: 50 - 80 micron.
- k. The system shall ensure the creation and saving of packet and bundle database containing the following data:
 - i. Serial numbers of inspected notes;
 - ii. Serial numbers of notes in each packet;
 - iii. Quantities and serial numbers of rejected and shredded notes with data on classified defects in rejected notes – per shift and per day;
 - iv. quantities of double notes – per shift and per day.
- l. System shall have suitable provision for tracing the position of banknotes
- m. System shall have the Possibility to print out the data of the logs and the reports on the results of system operation. Details and format of report forms shall be finalized with the successful bidder.

Other Requirements:

- 1) Offered system shall have appropriate safety devices;
 - All transfer drives to be equipped with torque limiters to prevent damage beforehand.
 - Emergency switches should be provided at all sections to prevent damage to the machine and injury to the operators.
 - Any malfunction such as less air pressure, overheating or any other condition should be displayed on the screen.
 - For accuracy of the system, varicams should be provided and solenoid valves should be at a centralized place for easy maintenance and servicing. Ensuring accuracy of the system by any other suitable means is permissible.

- Noise resistant measures should be adopted such as advanced PLC to control the whole system with linkages.
 - Security frames, safety covers with security switch are provided with the system to comply with the International Safety standard.
- 2) System shall have suitable ventilation of electronic units with appropriate filters to prevent internal dusting.
 - 3) The System must/shall have integrated dust suction for taking away residues from cutting or printing and reduce the effort for cleaning.
 - 4) System shall have transparent covers with integrated illumination to monitor processing (especially singling and stacking). The illumination shall be switchable with local control buttons.
 - 5) The System shall preferably have automated opening and closing by a central control button on the operating panel and local control buttons at the modules.
 - 6) The System shall have a central service key for the field engineer to override built-in safety locks and allow diagnosis while processing.
 - 7) System Data and counting integrity must be maintained in case of an internal component failure or external power failure (blackout).
 - 8) System shall be equipped with reliable protection against data leakage and unauthorized access to information on both hardware and software levels.
 - 9) System shall have suitable permissive system of developers', users', and operators' access to hardware and software, as well as to information resources of the System such that users are only granted right to work with those hardware and software components and resources, which they need to fulfil their job duties.
 - 10) The system shall be equipped with protection against emergency power failure and with a self-diagnostics and restoration program for the case of hardware and software malfunctions and failures, and shall ensure data integrity at short duration power failures or power interruption.
 - 11) The system shall be equipped with suitable scanners for visible spectrum, UV, Reflection and transmission IR, Magnetic detectors, metallic object detectors, double note detectors and/or any other scanners/detectors required for fulfilling the single note inspection as envisaged in this tender document.
 - 12) The PLC, computer system and other electronic item shall be of contemporary and standard make / model. Only open protocol/ standard shall be used. Backup program and source code of PLC program and other software shall be provided for diagnostic purpose. In case of customized solution, detailed know-how to be provided.
 - 13) Power failure should not disrupt the functioning of machine on restoration of power.
 - 14) The system shall have a powerful diagnostic system on the machine, capable of identifying pinpointing malfunction of the machine and if required, produce a warning before any trouble. In case of machine stoppages, it should give reason of stoppage and probable remedial measure to rectify the defect.
 - 15) The system should provide all machine performance related data such as Total Production time, Actual Production time, idle time, error listing etc. as per customer's requirement.
 - 16) The system should be fully secure with record and alarm of opening of cabinet doors.
 - 17) Bidder shall include in their offer, One set of spare parts, tools, accessories, and materials

18) **System Management:**

- The SYSTEM must provide user management with at least five user groups (of differentiated user rights) and user administration (name and password) for accessing the processing and reporting units.
- The user management shall provide a centralized function for several SYSTEMs to ease user management and password replication.
- The SYSTEM must have an operating panel based on graphical user interface with intuitive operator guidance processing area.
- The SYSTEM must have an independent control unit for the monitoring of the operation, access to reports and processing data, and analysis of processing results (down to individual banknotes) without interrupting or interfering with the banknote processing.

Reporting:

- The SYSTEM must provide an Operation Log with details of all user actions and handling of disturbances (type of action, time, displayed message, etc.)
- The SYSTEM must separately store production data and service data (e.g. when processing banknotes in a test shift, during preventive or corrective maintenance).
- The SYSTEM must be able to store processing and tracking production data for more than two years. The deletion of old data must be user-configurable and be executed automatically.
- The SYSTEM must provide reports for balancing, tracking, and statistical evaluations on basis of input units and organizational entity (e.g. shift, team). It must support pre-view, printout, electronic report (XML format or pdf format) as selected by the user.
- The SYSTEM must support automatic report triggers and secure transfer of electronic data via SFTP and IPv4 or IPv6.
- The SYSTEM shall provide access to the reports and other processing data (e.g. searching a serial number, banknote sorting analysis) from one or more independent PCs in the network, with unlimited access while processing at full speed.
- The SYSTEM shall provide an export function for the serial numbers for transfer and independent readability by a third party.

Authentication and Verification of Data:

- The SYSTEM shall support the verification of the software application to allow detection of unauthorized changes.
- The SYSTEM shall support the authentication and verification of processing data to detect data manipulation.
- The SYSTEM shall support the authentication of electronic reports based on Public Key Infrastructure (PKI) standards.

System Monitoring and Remote Access:

- The SYSTEM must have a live monitoring for showing the actual throughput, reject rate, and unfit rate.
- The SYSTEM must/shall provide access to the live monitoring data from one or more independent PCs in the network, also with displaying several SYSTEMs on one screen.

- The SYSTEM must have a shredder monitor to trigger user-configurable warning levels and machine stops in case of excessive unfit rates. It must restrict resetting warning and stop conditions only with specific user rights.

- 1) **Training:** At the discretion of purchaser, the bidder shall provide **Two weeks training for each machine supply** to our **04 operational personnel and 02 maintenance personnel** at their premises and also **two-week** training for each machine supply during the installation and commissioning of the system at our premises. Facilities at BRBNMPL training centre could also be utilized for this purpose. Cost of training at the bidder's premises will be a scope of the bidder and BRBNMPL shall bear cost of travel, boarding and lodging costs incurred in connection with the training.

Among other things, training should particularly include operational training on adaptation of new denomination banknotes and new security features.

- 2) **Pre-shipment Inspection Authority:** At BRBNMPL's discretion, a team of BRBNMPL officers may conduct pre-shipment inspection of the **integrated system** at the designated premises of the successful bidder or issue inspection waiver certificate at its discretion. The bidder shall confirm its readiness to operate the **integrated system** for such inspection and BRBNMPL if desires to inspect, shall dispatch the inspection team to manufacturer's site within thirty (30) days of receipt of such confirmation or intimate the waiver. **No separate pre-shipment inspection of Sheet Cutting System and Single Note Inspection System at the premises of respective manufacturers shall be carried out.** BRBNMPL shall bear cost of travel for boarding and lodging costs incurred in connection with the pre-shipment inspection. Bidder shall make necessary arrangements for the local transport during the visit of the team to bidder premises. During pre-shipment inspection, all the technical documents are to be produced for clearance and acceptance by the BRBNMPL's inspection team. The norms to be followed during pre-shipment inspection will be finalized with the consultation of the bidder, which is to be followed scrupulously at the time of Pre-shipment inspection.

Important Note: Successful bidder shall demonstrate and achieve the performance guarantee values with regard to output and quality of the intermediate and finished products as shown in the FAT condition. The performance of the system as a whole on an integrated basis shall be demonstrated in a test run. Successful bidder shall supervise and direct the operation during the performance test, and shall take full responsibility in this regard. During the performance test BRBNMPL shall provide necessary operating and maintenance personnel. Successful bidder shall provide and install all measuring instruments required for testing the guaranteed performance, which are not included among the permanent measuring instruments of the units. Subject to the provisions in the contract, if during the test period an interruption or reduced performances should occur due to any reason solely attributable to BRBNMPL, the test periods will be extended accordingly at the discretion of BRBNMPL. Such time of interruptions for reduced performance and the production achieved during this period shall be discarded in evaluating the test. If for reasons for which the bidder is responsible, the performance values cannot be achieved in whole or in part during the performance guarantee tests, successful bidder shall repeat the test in whole in order to demonstrate the performance values which are not reached. Before repeating the tests, bidder shall take all measures as may be needed in order that the performance values can be achieved at their cost. If even with two repetitive tests the performance values have not reached for reasons within successful bidder's responsibility, successful bidder shall undertake at its own cost such modifications or replacements as considered necessary to obtain the performance guarantee values and the responsibility to demonstrate the successful performance guarantee values shall always rest with the successful bidder till so established. If even after four repetitive attempts of rectification one or several of the essential performance values cannot be achieved, in the opinion of BRBNMPL, then this will be treated as a breach of agreement by successful bidder and BRBNMPL will be at liberty to decide the future course of action as BRBNMPL deemed fit.

Note: Tenderer's attention is drawn to GIT clause 17 and GIT sub-clause 10.1.

The Tenderer is to provide the required details, information, confirmations, etc accordingly, failing which its tender is liable to be ignored.

Section VIII: Quality Control Requirements

FAT (Final Acceptance Test) and FAC (Final Acceptance Certificate):

FAT CONDITIONS – HIGH CAPACITY SHEET CUTTING SYSTEM COMBINED WITH MULTIPLE SINGLE NOTE INSPECTION SYSTEMS

1. Total Number of days	- 25 working days
2. Number of shifts / day	- 1 shift
3. Total Available Time (TAT)	- 9 hours = 540 Minutes
4. Make-ready in the beginning of the shift	- 1 hour
5. Shift End activities	- 1 hour
6. Total Mandatory Activity Time (TMAT)	- 2 hours = 120 Minutes
7. Net production time (NPT)	- 540 – 120 = 420 Minutes
8. Maximum Processing Speed (MPS)	- (To be defined by the bidder)
9. Minimum guaranteed Production	- (NPT x MPS) x 90%
	Not less than 3 million Banknotes/shift

Note:

1. FAT shall be carried out with any of the denomination of Indian banknotes. The above production assumes planned sheets are readily available for production use at the start of the shift. Any waiting time for the issue, return and counting of sheets to the machine is excluded from these figures. If there are any such delays, then allowance must be made by BRBNMPL.
2. After FAT but before issue of FAC, adaptation to all other denominations should be demonstrated.
3. All the results have to be agreed by signing in the format marked as “Inspection Result”
4. The functional capacities of various software and hardware performance has to be demonstrated to the BRBNMPL and to be proved that the same are working at optimum level.

FAC: Upon satisfactory completion of FAT, BRBNMPL shall issue FAC (Final Acceptance certificate) for each system within one week.

Section IX: Qualification/Eligibility Criteria

The tenderer needs to agree to all essential conditions specifically incorporated in this tender enquiry. Some of the salient requirements are as under: –

PRE-QUALIFYING ELIGIBILITY CRITERIA IS AS FOLLOWS: –

Sl. No	Item Categories	ESSENTIAL PRE-QUALIFICATION CRITERIA FOR SUPPLY, INSTALLATION AND COMMISSIONING OF “HIGH CAPACITY SHEET CUTTING SYSTEM COMBINED WITH MULTIPLE SINGLE NOTE INSPECTION SYSTEMS”
1	Experience & Past Performance	<p>The bidder firm should have manufactured, supplied, installed and commissioned at least one Integrated Sheet Cutting and Single Note Inspection & Packing System during the last five years.</p> <p>The bidder firm shall submit the credentials regarding experience and past performance to the extent required as per the eligibility criteria.</p> <p>In case of Indian Manufacturers, the past performance and experience shall be relaxed at the discretion of the purchaser with appropriate justification.</p> <p>All experience, past performance and capacity/capability related data should be certified by the authorized signatory of the bidder firm.</p>
2	Capability – Equipment & Manufacturing facilities	<p>The bidder firm must have an annual capacity to manufacture and supply at least 01 No. of Integrated Sheet Cutting and Single Note Inspection & Packing System</p>
3	Financial Standing	<p>Average Annual Turnover of the Bidder firm during last three years should be more than INR 90 Crores.</p> <p>For Indian manufacturer, annual turnover criteria may be relaxed.</p> <p>Bidder Firm should not have suffered any financial loss for more than one year during the last three years</p> <p>The net worth of the firm should not have eroded by more than 30% in the last three years.</p> <p>The bidders should enclose certified audited balance sheets, financial statements, P/ L accounts.</p> <p>All financial standing data including balance sheet and profit and loss account etc. should be submitted in English language.</p> <p>All financial standing data should be certified by Certified Accountants e.g. Chartered Accounts (CA) in India and Certified Public Accountant/Chartered Accountants/members of Certified accounting body of the Government of other countries.</p>

3	Financial Standing	All financial details should be submitted in the following format: -				
		Sl. No.	Financial Year	Annual Turnover (in)	Profit/Loss (in)	Net Worth (in)
4	Preference to Make in India	Signature of Certified Accountant:				
		Name:				
		Name of Firm:				
		Reg. No of firm:				
		Membership No.:				
		Place:				
		Date:				
		The provisions of the public procurement (preference to make in India) order 2017 dated June 15, 2017 by the department of Industrial Policy and promotion (DIPP), GOI vide circular reference No. P-45021/2/2017-B.E.-II shall apply to this Tender.				
		Applicability to ‘Make in India’: Bidders who have a valid / approved ongoing ‘Make in India’ agreement / program and who while meeting all other criteria above, except for any or more of sub-criteria in Experience and Past Performance above, would also be considered to be qualified provided:				
		i their foreign ‘Make-in-India’ associates meet all the criteria above without exemption, and				
		ii the Bidder submits appropriate documentary proof for a valid / approved ongoing ‘Make in India’ agreement / program.				
		iii the bidder furnishes along with the bid a legally enforceable undertaking jointly executed by himself and such foreign Manufacturer for satisfactory manufacture, Supply (and erection, commissioning if applicable) and performance of ‘The Product’ offered including all warranty obligations as per the general and special conditions of contract.				

Note: Considering the time required for preparation of financial statements, if the last date of preceding financial/accounting year falls within the preceding six months reckoned from the original bid closing date and the financial statements of the preceding financial year are not available with the bidder then the financial turnover of the previous three financial years excluding the preceding financial year will be considered. In such cases, the net worth / turnover of the previous financial year excluding the preceding financial year will be considered. However, the bidder has to submit an affidavit/undertaking certifying that the financial statements for the financial year____ (as the case may be) has actually not been audited so far.

Requirements to be submitted along with the bids:

- (i) The bidders shall sign the Pre-Contract Integrity Pact as per the enclosed annexure. Any bids submitted without the pact will be summarily rejected.
- (ii) The bidders have to submit complete solution on turnkey basis, for Design, Manufacturing, Testing, Supply, Installation, Commissioning, Training and Performance Testing and supply of “High Capacity Sheet Cutting System combined with Multiple Single Note Inspection Systems”.
- (iii) The intending bidders shall submit all technical details, product catalogues, specifications etc. of the proposed systems offered for evaluation.
- (iv) The bidder shall provide the complete details and addresses of the locations of the manufacturing units for both the Sheet Cutting System and Single Note Inspection System.
- (v) The bidder shall provide details of supply of similar machines in the past including to neighboring countries of India.
- (vi) Bidder shall note that the purchaser reserves the right to visit the manufacturing facilities of the bidder for both the Sheet Cutting System and Single Note Inspection System and the facilities where the bidder has supplied the machinery for verifying the claims of the bidder. This will be a part of Technical Bid Evaluation.
- (vii) Product support, after sales support and infrastructure – Details may be provided
- (viii) The bidders should give a declaration that they have not been blacklisted or debarred for dealing by Government of India or any Government in the past.
- (ix) The documents in support of pre-qualification criteria need to be submitted along with the bid document duly signed by authorized representative of the applicant.
- (x) The bidder should also confirm specifically that:
 - (a) Applicant is competent and legally authorized to submit and /or to enter into a legally binding contract.
 - (b) Applicant will absolve the purchaser against any infringement of patent right and other contract provision.
 - (c) BRBNMPL if desires, inspects the manufacturer’s works of the bidder.
 - (d) Shall furnish a confidentiality statement.

General Terms - Summary

1. Bidder shall submit Earnest Money Deposit - As per GIT 18.
2. **Bidders shall ensure that the price bids Section XI are submitted separately and not to be enclosed with technical bid.**
3. Bidder shall ensure that no Price indication in the Technical Bid is made as the same shall be summarily rejected.
4. Bidder shall comply with the Scope of work & Delivery Schedule – As per Section VI – List of Requirements.
5. The bidder shall submit duly signed pre-contract integrity pact as per the format enclosed in Section XX.
6. Bidder shall provide clause wise Technical compliance commentary for the technical specifications indicated in Section VII

7. The bidder shall ensure that all pages of tender document are duly signed and sealed for having read and understood all terms and conditions of the tender document.
8. Bidder shall confirm that the Tender validity is given as in the SIT.
9. Bidder shall submit the following declarations / undertakings along with tender application.
 - a. The signatory is competent and legally authorized to submit the tender and / or to enter into legally binding contract.
 - b. A declaration that the Bidder is not in the list of blacklisted /debarred firms of any Government Agency anywhere in the world.
 - c. Undertaking that the bidder is accepting all the terms and conditions of this tender and abides by it without any counter conditions.
 - d. Undertaking that the information given in the documents is correct and the Bidder is aware that any information provided is found to be false at a later stage BRBNMPL reserves the right to reject / disqualify the Bidder at any stage of the tendering process without assigning any reason.

The term relative for this purpose would be as defined in Section 6 of the Companies Act, 1956.

- 2.1.13. The BIDDER shall not lend to or borrow any money from or enter into any monetary dealings of transaction directly or indirectly with any employee of the BUYER.

3. Disqualification from tender process and exclusion from future contracts

- 3.1. If the Bidder, before contract award has committed a transgression through a violation of Section 2 or in any other form such as to put his reliability or credibility as Bidder into question, the Buyer is entitled to disqualify the Bidder from the tender process or to terminate the contract, if already signed, for such reason.
- 3.2. If the Bidder / Contractor has committed a transgression through a violation of Section 2 such as to put his reliability or credibility into question, the Buyer is entitled also to exclude the Bidder / Contractor from future contract award processes. The imposition and duration of the exclusion will be determined by the severity of the transgression. The severity will be determined by the circumstances of the case, in particular the number of transgressions, the position of the transgressors within the company hierarchy of the Bidder and the amount of the damage. The exclusion will be imposed for a minimum of 1 year and maximum of 3 years.
- 3.3. A transgression is considered to have occurred if the Buyer after due consideration of the available evidence, concludes that no reasonable doubt is possible.

- 3.4. The Bidder/ Contractor accepts and undertakes to respect and uphold the Buyer's absolute right to resort to and impose such exclusion after giving opportunity of hearing to the bidder. This undertaking is given freely and after obtaining independent legal advice.
- 3.5. If the Bidder / Contractor can prove that he has restored / recouped the damage caused by him and has installed a suitable corruption prevention system, the Buyer may revoke the exclusion prematurely, provided such systems has been audited by an independent agency.

4. Compensation for Damages

- 4.1. If the Buyer has disqualified the Bidder from the tender process prior to the award according to Section 3, the Buyer is entitled to demand and recover from the Bidder liquidated damages equivalent to Earnest Money Deposit / Bid Security.
- 4.2. If the Buyer has terminated the contract according to Section 3 or if the Buyer is entitled to terminate the contract according to Section 3, the Buyer shall be entitled to demand and recover from the Contractor liquidated damages equivalent to Security Deposit / Performance Bank Guarantee.

5. Previous Transgression

- 5.1. The BIDDER declares that no previous transgression occurred in the last three years immediately before signing of this Integrity Pact, with any other company in any country confirming to anti-corruption approach in respect of any corrupt practices envisaged hereunder or with any Public Sector Enterprise in India or any Government Department in India that could justify BIDDER's exclusion from the tender process.
- 5.2. The BIDDER agrees that if it makes incorrect statement on this subject BIDDER can be disqualified from the tender process or the contract already awarded, can be terminated for such reason.

6. Earnest Money (Security Deposit)

- 6.1. While submitting commercial bid, the BIDDER shall deposit an amount 2% of the total value of the contract as Earnest Money / Security Deposit, with the BUYER through any of the following instruments:

Bank Draft or a Pay Order in favour of Bharatiya Reserve Bank Note Mudran Private Limited. A confirmed guarantee by an Indian Nationalised Bank promising payment of the guaranteed sum to the BUYER or demand within three working days without any demur whatsoever and

without seeking any reasons whatsoever. The demand for payment by the BUYER shall be treated as conclusive proof of payment.

Any other mode or through any other instrument (as specified in the tender document).

- 6.2. The Earnest Money shall be valid for 45 days beyond the final tender validity period. Security Deposit shall be valid for 60 days after complete conclusion of the contractual obligations to the complete satisfaction of both the BIDDER and the BUYER and after completion of warranty period.
- 6.3. In case of successful BIDDER, a clause would also be incorporated in the Article pertaining to Performance Bond in the Purchase Contract that the provisions of Sanctions for Violation shall be applicable for forfeiture of Performance Bond in case of a decision by the BUYER to forfeit the same by assigning reason for imposing sanction to violation of this Pact.
- 6.4. No interest shall be payable by the BUYER to the BIDDER on Earnest Money / Security Deposit for the period of its currency.

7. Sanctions for Violations

- 7.1. Any breach of the aforesaid provisions by the BIDDER or any one employed by it or acting on its behalf (whether with or without the knowledge of the BIDDER) shall entitle the BUYER to take all or any one of the following actions wherever recurred.
 - i) To immediately call off the pre-contract negotiations after assigning any reason. However, the proceedings with the other BIDDER(s) would continue.
 - ii) The Earnest Money Deposit (in pre-contract stage) and / or Security Deposit / Performance Bond (after the contract is signed) shall stand forfeited either fully or partially as decided by the BUYER and the BUYER shall assign reason therefore.
 - iii) To immediately cancel the contract if already signed, without giving any compensation to the BIDDER.
 - iv) To recover all sums already paid by the BUYER and in case an Indian BIDDER with interest thereon at 2% higher than the prevailing Prime Lending Rate of State Bank of India, while in case of BIDDER from a country other than India with interest thereon at 2% higher than the LIBOR. If any outstanding payment is due to the BIDDER from the BUYER in connection with any other contract for other stores, such outstanding payment could also be utilized to recover the aforesaid sum and interest.

- v) To encash the advance bank guarantee and performance bond / warranty bond if furnished by the BIDDER in order to recover payments already made by the BUYER along with interest.
 - vi) To cancel all or any other contracts with the BIDDER. The BIDDER shall be liable to pay compensation for any loss or damage to the BUYER resulting from such cancellation / rescission and the BUYER shall be entitled to deduct the amount so payable from the money due to the BIDDER.
 - vii) To debar the BIDDER from participating in future bidding processes of the buyer for a minimum period of 5 years, which may be further extended at the discretion of the BUYER.
 - viii) To recover all sums paid in violation of this Pact by BIDDER(s) any middlemen or agent or broker with a view to securing the contract.
 - ix) Any letter of credit, including revolving Letter of Credit, opened by buyer, shall be rendered infructuous from the date of advice of violation by buyer.
 - x) Forfeiture of Performance Bond in case of a decision by the BUYER to seek for the forfeiture for imposing sanction for violation of this Pact.
- 7.2. The BUYER will be entitled to take all or any of the actions mentioned at para 7.1 (i) to (x) of this Pact also on the Commission by the BIDDER or any one employed by it or acting on its behalf (whether with or without the knowledge of the BIDDER) of an offence as defined in Chapter IX of the Indian Penal Code, 1860 or Prevention of Corruption Act, 1988 or any other statute enacted for prevention of corruption.
- 7.3. The decision of the BUYER to the effect that a breach of the provisions of this Pact has been committed by the BIDDER shall be final and conclusive on the BIDDER. However, the BIDDER can approach the independent Monitor (s) appointed for the purposes of this Pact.

8. Fall Clause

- 8.1. The bidder undertakes that it has not supplied/is not supplying similar product /systems or sub-systems at a lower price than that offered in the present bid in respect of any other customer in India, Ministry /Department of the Government of India or PSU and if it is found at any stage that similar products/systems or such systems was supplied by the Bidder to any of these entities at a lower price then that very price with due allowance for elapsed time would be applicable to the present case and the difference in the cost would be refunded by the Bidder to the Buyer if the contract has already been concluded.

9. External Independent Monitor

Name: V V R SASTRY, E-mail: sastryvvr@gmail.com

- 9.1. The BUYER appoints competent and credible external independent Monitor for this Pact. The task of the Monitor is to review independently and objectively, whether and to what extent the parties comply with the obligations under this agreement.
- 9.2. The Monitor is not subject to instructions by the representatives of the parties and performs his functions, neutrally and independently. He reports to the Chairperson of the Board of the Buyer.
- 9.3. The Contractor accepts that the Monitor has the right to access without restriction to all Tender/Contract documentation of the Buyer including that provided by the Contractor. The Contractor will also grant the Monitor, upon his request and demonstration of a valid interest, unrestricted and unconditional access to tender/contract documentation. The same is applicable to Subcontractors. The Monitor is under contractual obligation to treat the information and documents of the Bidder / Contractor / Subcontractor with confidentiality, provided that this clause is subject to the general confidentiality clause.
- 9.4. The Buyer will provide to the Monitor sufficient information about all meetings among the parties related to the Project provided such meetings could have an impact on the contractual relations between the Buyer and the Contractor. The parties offer to the Monitor the option to participate in such meetings.
- 9.5. As soon as the Monitor notices, or believes to notice, a violation of this agreement, he will so inform the Management of the Buyer and request the Management to discontinue or heal the violation, or to take other relevant action. The monitor can in this regard submit non-binding recommendations. Beyond this, the Monitor has no right to demand from the parties that they act in a specific manner, refrain from action or tolerate action. However, Independent External Monitor shall give an opportunity to the bidder/contractor to present its case before making its recommendations to the management of the buyer.
- 9.6. The Monitor will submit a written report to the Chairperson of the Board of the Buyer within 8 to 10 weeks from the date of reference or intimation to him by the 'Buyer' and, should the occasion arise, submit proposals for correcting problematic situations.
- 9.7. Monitor shall be entitled to compensation on the same terms as being extended to / provided to Outside Expert Committee members / Chairman as prevailing with Buyer.

- 9.8. If the Monitor has reported to the Chairperson of the Board a substantiated suspicion of an offence under relevant Anti-Corruption Laws of India, IPC/PC Act and the Chairperson has not, within reasonable time, taken visible action to proceed against such offence or reported it to the Vigilance Office, the Monitor may also transmit this information directly to the Central Vigilance Commissioner, Government of India.
- 9.9. The word 'Monitor' would include both singular and plural.

10.Facilitation of Investigation

In case of any allegation of violation of any provisions of this Pact or payment of commission, the BUYER or its agencies shall be entitled to examine all the documents including the Book of Accounts of the BIDDER and the BIDDER shall provide necessary information and documents in English and shall extend all possible help for the purpose of such examination.

11.Law and Place of Jurisdiction

This Pact is subject to Indian Law. The place of performance and jurisdiction is the seat of the BUYER.

12.Other Legal Actions

- 12.1. The actions stipulated in this Integrity Pact are without prejudice to any other legal action that may follow in accordance with the provisions of the extant law in force relating to any civil or criminal proceedings.
- 12.2. Changes and supplements as well as termination notices need to be made in writing.
- 12.3. If the Contractor is a partnership or a consortium this agreement must be signed by all partners or consortium members.

13.Validity

- 13.1. The validity of this Integrity Pact shall be from the date of its signing and valid for 60 days after complete conclusion of the contractual obligations to the complete satisfaction of both the BUYER and the BIDDER and after completion of warranty period. In case the BIDDER is unsuccessful this Integrity Pact shall expire after conclusion of the tender. If any claim is made/lodged during this time, the same shall be binding and continue to be valid despite the lapse of this pact as specified above, unless it is discharged/determined by Chairman of the buyer.

13.2. Should one or several provisions of this Pact turn out to be invalid, the remainder of this Pact shall remain valid. In this case the parties will strive to come to an agreement to their original intentions.
